The Oregon Native Son, an historical magazine published in Portland for the past two years, has suspended publication for lack of support.

The contract for the power plant at White River Falls and for the transmission of the power from thence to The Dalles was let today to the Pacific Bridge Company, of Portland.

It is expected that the steamer Iralda will be placed on The Dalles and Cascade Locks run next Monday. The Regulator will probably be ready for The Dalles and Portland run by the middle of next week.

A Sunday school was organized at Shaniko last Sunday with F. T. Esping superintendent and A. MacAdam assistant superintendent. Rev. Brackenbury has arranged to preach there every Sunday afternoon.

The fun-loving public will be properly in it by attending the promenade concert on April 8th, for not only will Mr. Percy Levin's drama be worth the price of admission, but there will be attractions galore to entertain the visitors.

Lost—In the Vogt opera house, or between there and the Allaway residence, on Third street, a gold and yellow enamelled chain pin bearing the letters "U. O., 1900." The finder will be suitably rewarded by leaving it at this office.

Nearly one-third of Astoria will be sold in a few weeks to satisfy the city lien docket for street improvements. Property owners who imagine they are going to get out of paying street assessments will find a large bill of costs added. There are over \$22,000 due the city

from delinquent street assessments, and the city proposes to collect it, says the Herald.

Messrs. Sharp, Parr and Donnell and Miss Maybel Mack, of this city, recently purchased of the N. P. R. Co. twelve sections of lands in the Horse Heaven country, Yakima county, on which, it is said, they could already realize an advance of a dollar an acre or a lump sum of \$7,680. The lands, however, are not for sale, at least not at present.

Another interesting and instructive sermon was delivered at the Christian church last night by Rev. Harding, on the subject of "The Two Doors." His able efforts were rewarded by the accession of another member to the church roll. Mr. Harding is able and fluent, and a man of marked ability as an orator. Don't fail to hear him tonight.

The new \$4 Mme. Angres, split straw, double brim sailor, will be offered during our Easter sale, at The Leader, for \$2.50. They are something entirely new, chic and up-to-date, are being retailed in all the large cities at \$4. Also our Hyde Park sailors for 1901 will be greatly reduced in price. Call and see them at Miss Haven's, Washington street, between Second and Third.

Mr. Levin returned from Dufar today. "A Summer's Fancy" was given there last night to a large house. Miss Blanche Dufar, as "Mercy Baxter," was particularly pleasing, and Mr. Waldo Brigham, as the old farmer, made a close second. Mr. Brigham will appear before a Dalles audience in "The Henrietta," to be presented in the near future, having accepted the part of "Muggrave."

Miss Mary Stewart, of Argyleshire, Scotland, 110 years old, and said to be the oldest British subject, was brought up to speak the ancient Gaelic tongue, and she has got along so far without learning any other. She has never married, and for more than eighty years was consecutively employed in domestic service in the vicinity of her birthplace. She is still hale and hearty.

James Stewart, a negro of Sterling, Kan., who was killed by a train the other day, was the father of twenty-seven children. At more than 40 years of age he was left a widower with thirteen children. He married again, and to this second wife fourteen children were born, the last a short time ago, when Stewart had reached his 61st birthday. Of the twenty-seven only four have died.

The engine of the passenger train that is due here from Portland at 9:20 p. m. was derailed last night in the Snipes pasture, about two miles below town. A cow got on the track and ran before the train a short distance till she fell into the cattle-guard, when the engine cut her to pieces, but was itself thrown from the rails and had one of the drive wheels ruined. A wrecking engine was immediately hurried to the spot, and in about two hours and a half the train was ready to proceed on its journey eastward.

Nobody was hurt; in fact the passengers were not aware of the accident till a few minutes after it had taken place.

The Meneley Trio Concert Company, of Chicago, will give an entertainment in the M. E. church Tuesday evening, April 2nd. For seven years the Meneley Trio have given hundreds of concerts in churches of all denominations in Illinois and other western states. Wherever they go they are wanted back again. They come here highly recommended by the leading prohibitionists of the United States as the best combination of prohibition singers in America.

Mrs. Addie Ward, the beloved wife of Captain A. H. Ward, of the Salvation Army, died yesterday of consumption at the residence of her mother, Mrs. W. H. Steel, of this city, aged 31 years. The funeral will take place tomorrow at 2:30 o'clock and the services at the M. E. church will be conducted by Major Cousins and Harris of the Salvation Army division headquarters, of Portland, assisted by Rev. U. F. Hawk.

Last night the Congregational church was filled with an interested and attentive audience. The service was one of unusual interest. Mr. Clapp preached from the words "I will trust and not be afraid." The address was devoted to young people. Mr. Poling rendered two solos, one before and one after the sermon. The interest in these meetings is growing, and from the first the services have afforded much promise. Services again this evening. The male quartet will sing and Mr. Poling will render a solo. Subject of address, "The Touch of Faith." Regular announcements elsewhere.

The scientists are going to throw the cooks out of a job. The experiments in condensing the essence of foodstuff into capsules are very successful. Within another decade the housewife's entire larder will consist of a box of food pills and a bucket of water to wash these down. The electric invention which produces music in the incandescent globe will further enrich us. We can take a couple of capsules and a glass of water for supper, turn on the electric light, and lie down to dream under the spell of the most exhilarating music it will be a boon for the bachelor. Boarding house keepers will be on the "bum." Piano peddlers will find their occupation gone, and the cook will stand in the Cairo corner with the spinning wheel, the ox yoke and the stage coach.

See that you get the original DeWitt's Witch Hazel Salve when you ask for it. The genuine is a certain cure for piles, sores and skin diseases. Clarke & Falk's P. O. Pharmacy.

Why pay \$1.75 per gallon for inferior paints when you can buy James E. Patton's sun proof paints for \$1.50 per gallon, guaranteed for 5 years. Clarke & Falk, agents.

Clarke & Falk are never closed Sunday. Don't forget this.

Mr. and Mrs. McCoy Entertain.

Among the many pleasant parties which have been given this season none has surpassed that which took place at the home of Mr. and Mrs. E. O. McCoy last night, when forty of their friends spent the hours most happily at hearts.

In every arrangement of their handsome parlors it is very evident Mr. and Mrs. McCoy intended that others should share in its enjoyment, so admirably are they suited for such occasions, especially so last night with the cheery grate fire and carnations, roses, hyacinths and violets in abundance making them doubly inviting.

The score cards were unique, being heart shaped and on one side bearing the initial "McC." with the date and a sketch of "heart Brownies" in various positions. At the game Mrs. A. S. Bennett excelled and Mr. Peters received the consolation prize as well as the most hearts.

During the games punch and caramels were served, and later cards gave place to something far more substantial and apparently quite as fascinating. Following this feast was one of song, when Miss Gambell and Miss Myrtle Michell gave several solos, and at length all joined in singing and dancing, the strains of "Auld Lang Syne," serving as a parting song.

Those who enjoyed Mr. and Mrs. McCoy's hospitality were: Messrs. and Mesdames Peters, Hudson, Logan, Seifert, Fish, Bennett, H. S. Wilson, Geisendorffer, W. H. Wilson, Crowe, Bennett, Lueddemann, Pease, Hostettler, Misses Gambell, Lang, Bessie Lang, Rose Michell, Myrtle Michell, Lay and Davis, Messrs. M. Vogt, H. Liebe, F. W. Wilson and A. L. Gude.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by G. C. Blakeley, the druggist. Trial bottles free.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25c. Sold by G. C. Blakeley, the druggist.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.
