

PERSONAL MENTION.

Mr. and Mrs. M. J. Anderson, of Dufur, were in town today.

Messrs. T. H. and G. W. Johnston, the Dufur merchants, were in town today.

Editor S. F. Blythe, of the Hood River Glacier, was in town last night, returning home this afternoon.

Judge Bradshaw and Attorneys B. S. Huntington and F. W. Wilson will leave tonight for Condon to attend court which opens there Monday.

Our old friend, William Brune, of North Dalles, was in town today for the first time in three weeks, during the greater part of which time he was confined to his bed with the grippe.

Attorney L. W. Darling, of Condon, who has been the guest of the European House for the past two or three days, left for home this morning in company with Attorney A. A. Jayne, of Hood River.

The Dufur Dispatch says: "If the plans of The Dalles people for constructing an electric power plant at White river falls materialize, of which there appears to be very little doubt, an electric car line to Dufur would be a very feasible project. The citizens of Dufur should take time by the forelock and begin an intelligent and business-like investigation of the plan. Not only should the business men of the town take hold of the question, but every farmer in this part of the county should be deeply interested in getting a road of some kind nearer to their wheat fields. A year ago everybody was hopeful and confident that the Columbia Southern would have a railroad as far out as Dufur ere this time, but present indications are that the project has been abandoned by that company. 'God helps those who help themselves,' and the Dispatch is of the opinion that if we are to have a road to Dufur any ways soon, the citizens of Dufur will have to move in the matter themselves. When we show ourselves to be in earnest in this matter plenty of capital from the outside will be available."

STOCKHOLDERS' MEETING.

Notice is hereby given that there will be a meeting of The Dalles, Portland & Astoria Navigation Company, at the company's office in The Dalles, on Saturday, April 6, 1901, at 2 o'clock p. m., for the purpose of electing seven directors and transacting such other business as may properly come before said meeting. By order of the president, The Dalles, Oregon, March 5, 1901. L. E. CROWE, Sec'y.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for the grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

ITCHING LIMBS

And All Forms of Itching, Scaly Humors Are Instantly Relieved and Speedily Cured by CUTICURA.

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded that I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA REMEDIES.
