

He Tried a Sample Bottle

Nearly every day people come into drug stores and ask the Druggists to recommend some medicine for their trouble. Very often they refuse to do so, because, as a rule, they do not believe it proper to advise anyone to take a patent medicine of which they do not know the ingredients. It is the physician's business to prescribe. Some make an exception, however, when anyone has a cough, cold or throat and lung trouble. "I always recommend Acker's English Remedy, because I know just what it will do. It has cured every case where I have seen it tried. It is the best expectorant and tonic I ever handled in my 14 years' experience. I will give just one instance of a gentleman who had been troubled for years with a nasty, hacking cough. I advised Acker's English Remedy. He tried a sample bottle, and was cured before he had taken half of it, at no cost whatever. This is an exceptional case, however, as it usually takes two or three bottles."

(Signed) A. B. Cook, Bellefontaine, Ohio.

Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada, and in England, at 1s, 2s, 3s, 4s, 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee.

At the Congregational Church.

A large and interested congregation gathered at the services yesterday. The morning subject chosen by Mr. Clapp was "A Good Man's Mistake," which he treated in a concise and unique manner. Lot was the mistaken good man, and many practical lessons were adduced from his life. It was a life of compromise—therefore weakness.

In the evening the subject was "Seeking the Lost." This was perhaps the strongest sermon of the series, and the large congregation present attested its interest in an almost breathless attention.

There will be services again tonight and each night during the week. Mr. Clapp will speak on "What Must I Do to Be Saved?" Prof. Landers will sing a gospel hymn during the service, as will also Mr. Poling. Song service commences promptly at 7:30.

It Dazzles The World.

No Discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its severest tests have been on hopeless victims of Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands of whom it has restored to perfect health. For Coughs, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by G. C. Blakeley, the druggist, who guarantees satisfaction or refund money. Large bottles 50c and \$1.00. Trial bottles free.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.
