

Wants to Build It.

Chicago, April 1.—A special to the Chronicle from Washington says: J. Pierpont Morgan has a gigantic scheme that the United States government shall abandon its plan of building a canal across the Isthmus of Panama and permit private capital to take up and finish the work already accomplished on the Panama canal. Mr. Morgan, accompanied by James J. Hill, president of the Great Northern Railway, and chief stockholder of the Northern Pacific, arrived from New York on Mr. Hill's yacht today. Tonight, Messrs Morgan and Hill, and Senator Hanna, who had been notified of the coming of the distinguished financiers, have been in conference with President McKinley in an endeavor to interest the executive in their project. It is understood that a syndicate, headed by Mr. Morgan and Mr. Hill, has secured at a very low figure a majority of the stock of the Panama company, and is now in absolute control, not only of the affairs of that corporation, but of its property and franchises as well.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

May Succeed Evans.

Washington, April 1.—It looks now as if the president would get rid of a vexed question by sending Commissioner Evans on some foreign mission, and appointing ex-Representative Peters, of Kansas, Pension Commissioner. Peters is a man completely imbued with the idea of large and liberal pensions, and will be perfectly satisfactory to the Grand Army people and the pension attorneys, who have been trying to crowd Evans out. Evans has become sick of the constant warfare that has been waged on him, and while not a man to retreat under fire, is probably willing to accept a first-class diplomatic post, such as Japan or Venezuela, both requiring a high order of ability, rather than be the target of these hungry pension people.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have tried two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Clarke & Falk's P. O. Pharmacy.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that affected a speedy cure. I cannot speak too highly of that excellent remedy." Mr. T. K. Houseman, Manitawney, Pa. Clarke & Falk's P. O. Pharmacy.

For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNE, druggist, Buffalo, N. Y.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
