### M'KINLEY'S PLANS FOR HIS TRIP

Itinerary of His Visit to the Northwest —No Speeches and Receptions— Will Put in Afternoon and Evening of May 23d Viewing Portland.

WASHINGTON, D. C., April 8.—After making a number of changes in the itinerary of the presidential party's visit to the Pacific Coast, Secretary Cortelyou has at last arranged a programme which he hopes will be followed. Under this schedule, the party will reach Ashland, Or., at 6:45 p. m., May 21st, and leave there at 7 p. m. After making such stops as possible during the night, it will arrive in Salem at 9 a. m. next morning, and spend three hours in the capital city. Portland will be reached at 2:15 Wednesday afternoon. The afternoon and evening will be spent in viewing the city, according to the arrangements made by the local committee, which have not yet been communicated to Mr. Cortelyou. All speech-making and formal receptions will be avoided, and as much time spent in driving about as possible.

At 9 o'clock the next morning, the president will leave Portland, stopping first at Chehalis at 12:30, then at Centralia, reaching Olympia at 2:15 that afternoon, where an hour will be spent. Olympia was once stricken from the itinerary, but being the capital of the state, has been restored. At 4:30 Tacoma will be reached, and there the night of May 23d spent. Next morning the president will take a boat, and view the important points on Puget Sound, reaching Seattle at 2:30 in the afternoon. The party is to leave Seattle at 3 o'clock Saturday morning, and by making only short stops at the important points across the state, will reach Spokane Sunday morning at 1 o'clock. Early Monday the presidential party will start eastward from Spokane.

### Burglary in North Yakima.

NORTH YAKIMA, April 8.—Burglars broke the front window of Keene's jewelry store last night. The noise woke Ernest Stafford, a clerk, who immediately began shooting with a Winchester. The thieves broke and ran, but not before they had secured \$250 worth of diamonds and jewelry which were in the window.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have tried two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Clarke & Falk's P. O. Pharmacy.

### Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

### Charter Oak Steel Range!

There's Only One... Others Come and Go, but the Reliable "Charter Oak" is Always With Us. Why is This? Think it Over! Ask Those Who Have Used Them.

Whatever a range ought to do, it ought to do well. To bother with one that is difficult to manage, that is liable to get clogged up, or has an unfortunate habit of doing exactly what you neither want nor expect, is a mistake. The CHARTER OAK is a model of what a range should be. It needs very little fuel, is easily kept in order, is an ornament to the kitchen, and its durability is remarkable. What is perhaps more to the point, it can be had for a reasonable price. A poor range is a nuisance; a good one a luxury. You can avoid the nuisance and insure the luxury by purchasing a Charter Oak Steel Range. We make no empty claims regarding the superiority of our Ranges. We use the material and do the work, that shows the quality. We guarantee the operation.

Sole Agency at the Great Northern Furniture Co., Second Street, opposite O'Barr House. THE DALLES, OREGON.
