## COLORADO UNDER SNOW

Pike's Peak Region is Covered to a Depth of From Two to Ten Feet—Storm Began at 9 O'clock Last Night.

COLORADO SPRINGS, Colo., April 11.—The Pike's Peak region is buried under two to ten feet of snow, which fell in about 12 hours, beginning at 9 o'clock last night. The snow is deepest on the north side of Pike's Peak, and over the transcontinental divide between this city and Denver.

A gale blowing fifty miles an hour is drifting the snow, and Cripple Creek mining district is blockaded. All trains are 3 to 6 hours late between here and Denver. The Santa Fe is snowed under. By working all night with electric plows, the rapid transit system in this city was kept open. The city schools were dismissed for the day on account of the storm.

DENVER, April 11.—The storm which began Tuesday and continued intermittently Wednesday, developed into a blizzard during the night. Throughout Eastern Colorado and Wyoming the ground is covered with wet snow to a depth of from 1 to 2 feet. No serious damage has yet been reported. The weather has been comparatively warm. Should it become warmer the wet snow will form a crust which will make it impossible for cattle and sheep to graze on the ranges, and in that event serious losses of livestock may result.

### American Rails For Glasgow.

NEW YORK, April 11.—Private cable advices last night brought news that the Glasgow, Scotland, municipal committee had recommended the awarding of a big contract to an American steel company for the supplying of 3450 tons of rails and fish plates for the municipal street-railway at Glasgow. There will be 3000 tons of straight rails, 300 tons of curved rails and 150 tons of fish plates. The price for the rails will be \$32 a ton and the fish plates \$34 a ton. The order is therefore worth \$110,700.

The rails are to be used for the extension of the electric system owned by the city itself. Fully nine-tenths of the first equipment of the road, amounting to \$900,000, was purchased in the United States. This rail contract will be the largest ever placed in this city for use in Great Britain. The Lorain Steel Company, of Ohio, gets the order.

### Says He Was Tortured.

"I suffered such pain from corns I could hardly walk," writes H. Robinson, Hillsborough, Ill., "but Bucklen's Arnica Salve completely cured them." Acts like magic on sprains, bruises, cuts, sores, scalds, burns, boils, ulcers. Perfect healer of skin diseases and piles. Cure guaranteed by G. C. Blakeley, the druggist. 25c.

### Unpublished Hymn Found.

NEW YORK, April 11.—An unpublished hymn, written by Henry Wadsworth Longfellow, has been discovered among worthless papers and old letters at the Longfellow house. The hymn is entitled "Christo et Ecclesiae," and was written for the dedication of Appleton Chapel, which took place on October 17, 1858. Dr. F. G. Peabody read the hymn at morning prayers recently. Mrs. Longfellow does not wish to give out the poem for publication just now, and she has not definitely decided where the hymn is first to be published. It is possible that it will soon be published to the Harvard graduates.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. ### Decides Gambling Debt is Legal.

NEW YORK, April 11.—The Herald says: What is believed to be one of the first cases decided by a jury in favor of the payment of a gambling debt, disputed on the ground of its illegality, has been disposed of in the city court before Chief Judge Fitzsimmons. The jury gave a verdict in favor of John Bradley on two "I. O. U.'s" given him by Henry W. Iverson, a well-known broker of this city, one for \$300 and the other for \$700.

Mr. Iverson, while in St. Augustine, Fla., March 30, 1899, paid a visit to a gambling-house kept by Bradley and lost \$1000 at roulette. He gave his "I. O. U." but as he refused to pay Bradley placed the matter in the hands of his counsel, A. H. Hummel. Mr. Hummel put the I. O. U.'s in evidence together with a letter written by Alexander Lamont, counsel for Iverson, saying that his client was desirous of settling the matter without the trouble of going to court if a short extension should be granted him. Iverson on the stand admitted making the notes, but insisted that they were given to pay for his losses at roulette. Mr. Hummel asked, on cross-examination, if he would not have taken Bradley's money had he been a winner, and he confessed that he would.

It took the jury but a few moments to find a verdict against Iverson.

### The Best Remedy for Rheumatism.

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me it is the best remedy for muscular rheumatism in the market." For sale by Blakeley, the druggist.

### Trial of James Green.

STEVENSON, Wash., April 11.—By today's testimony the lines were drawn tight about James G. Green, the self-confessed murderer of E. V. Benjamin, at Underwood's Landing, last month. Green this morning, without a break and without emotion, faced Superior

Judge Miller and entered a plea of not guilty.

The sensation of the day was the testimony of Mrs. A. J. Haynes, which brought to light the fact of another confession by Green, which had been previously rumored. A pathetic incident of the day's proceedings was the piteous weeping of Mrs. Benjamin, who was present, clad in deep mourning, and who could not restrain her sorrow while Prosecuting Attorney Moore described to the jury, in his opening statement, the details of her husband's brutal murder.

### End Near in South Africa.

LONDON, April 11.—No further news has been received regarding the reported resumption of peace negotiations in South Africa, but the act that the censor allowed the report to pass, and the fact that the government has not issued a denial, are held to prove that negotiations of some sort are in progress.

The British have evacuated Hoopstad, which the Daily Mail observes, "seems to show that Lord Kitchener's force is still none too strong."

It is announced from Brussels, that the Dutch Transvaal committee has handed to Mr. Kruger a check for 1,000,000 florins, collected in Holland for the assistance of the Boers.

The British war office has issued the following special order regarding surrenders in the field:

"Any officer or soldier, who in the presence of the enemy displays a white flag or other token of surrender, will be tried by general court martial."

### Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store.
