JUDGE, JURY, EXECUTIONER.

Pennsylvania has a justice of the peace who deserves something better. The other day a wife beater, accompanied by his bruised and weeping victim, was taken before the justice for a hearing. It appears that the offender was still in conjunction with the fag-end of what is known in some circles as a load and, not liking the personal appearance of the magistrate, he laughed in that gentleman's face and called him a vile name.

Without taking the time or trouble to swear in a jury or call any witnesses the 'squire got down from behind his desk, knocked the wife beater through a glass door, picked him up and jammed him into a wood box, evidently unconcerned as to whether he was mussed or not, and then went back to the throne of justice. It is expected that the formal trial of the wife beater will take place as soon as the latter, who is now suffering from the loss of several teeth, a broken nose and one closed eye, is able to appear in court.

Meanwhile, says the Inter-Ocean, it is gratifying to know that there is in existence a justice of the peace who is not disposed to take the broad ground that a brute ought to be excused because he can bring proof to show that he might be half decent if he kept sober.

The Anti-Imperialist League of Boston, of which Edward Atkinson is the head, recently endeavored to secure the services of Geo. T. Rice, of Red Wing, Minn., the deported editor of the Manila Bulletin, in advancing their cause. They were disappointed. Mr. Rice received a telegram from Secretary Winslow of the league, asking him to come and address a large anti-imperialist meeting to be held at Faneuil hall. Mr. Rice, however, much as he may have against individuals in the pay of Uncle Sam or against the conduct of certain affairs in the Philippines, is not an "anti," in fact he has strong republican leanings, and this is the substance of his answer: "Am not against administration; can only tell the truth." It may be the "antis" object to having the truth told, for they telegraphed back: "Probably better not come."

The Albany Democrat, speaking of Assistant Janitor Gates, who was arrested last week in Eugene for forging Henry W. Corbett's name to a check for \$75, says: "Some people seem to think that Janitor Gates may get mad and tell some live things about that \$1300 he brought up to Albany during the session of the state legislature."

The charter fee paid to New Jersey by the United States steel corporation amounted to over \$220,000. It is estimated that the treasury of the state will this year receive \$2,100,000 from the trusts domiciled there alone, including fees paid on

filling certificates of trust incorporations. And the present costs of the state government are less than \$3,000,000 yearly. In other words New Jersey is meeting over two-thirds of the expense of its state government from the trusts it has let loose to operate in other states.

The skeleton of a prehistoric woman with 200 teeth was found near Newport, Oregon, a short time ago, and the Baker Democrat thinks the deceased would have made an ideal boarder at a fashionable round-streak boarding house of modern times.

The Best Remedy for Rheumatism. QUICK RELIEF FROM PAIN. All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me it is the best remedy for muscular rheumatism in the market." For sale by Blakeley, the druggist.

Caught a Dreadful Cold. Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Blakeley, the druggist.

Night Was Her Terror. "I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store.

Old Soldier's Experience. M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at G. C. Blakeley's drug store.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. Clarke & Falk's P. O. Pharmacy.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that affected a speedy cure. I cannot speak too highly of that excellent remedy." Mr. T. K. Houseman, Manatney, Pa. Clarke & Falk's P. O. Pharmacy.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have tried two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Clarke & Falk's P. O. Pharmacy.

A Testimonial from Old England. "I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by Blakeley, the druggist.
