

PERSONAL MENTION.

W. Lord went to Portland yesterday afternoon. A. J. Dufur arrived here today from Portland on his way to Dufur. The "Irish Duke" was a passenger on this morning's boat for Portland. Charley Stubling left on this morning's boat for St. Martin's Springs. Mr. and Mrs. J. B. Crossen were passengers on this morning's boat for St. Martin's Springs. Mrs. W. E. Garretson, of Pendleton, who has been visiting for a few days with Mrs. John S. Schenck, left yesterday afternoon for Portland. William Crofton and Mose Clausen, of Klickitat county, were passengers on this morning's boat for the Cowlitz, where they go to inspect a mining claim on which they have secured an option from its discoverer, who is a Klickitat Indian.

BORN.

To Mr. and Mrs. D. Cheesman, of Upper Chenoweth, on Friday, April 19th, an eight-pound girl. Mrs. Dr. Matney, of Upper Mill creek, in attendance. Mother and child are doing well.

With Same Pistol.

VANCOUVER, Wash., April 21.—Charles Brown and E. L. Canby, respectively president and cashier of the defunct First National Bank, who disappeared Friday night, are dead. With a cold-blooded premeditation unparalleled in the annals of desperate deeds, they went out into the woods a mile from Vancouver Friday night, and within an hour from the time they had quitted the place where they had lived for years, shot themselves with the same revolver. Their bodies were found this morning by a searching party from Vancouver.

When found, the bodies were facing each other. Canby's leaning against a stump, and Brown's against a small thicket. Their feet were not two feet apart. The revolver which ended both their lives was in Brown's hand, showing that Canby died first; that he shot himself in Brown's presence, and that Brown, after waiting to see whether or not the shot was fatal, reached over and taking the gun from his friend's lifeless hand, ended his own life.

Nothing was wanting to complete the ghastly coincidence. Both men shot themselves in the month. After the blood was washed away, not a mark was discernible on the body of either. A slight discoloration back of Canby's left ear showed that the bullet in his head had almost but not quite reached the surface.

Ready for Distribution.

WASHINGTON, April 16.—The report of the department of agriculture on "The Stock-Poisoning Plants of Montana," which has been reviewed in these columns, has come from the printer, and is ready for distribution. It is a neat volume of 150 pages, and is profusely illustrated with thirty-six half-tone reproductions of the various plants which are disastrous to sheep and cattle, as well as a number of plants commonly supposed to be poisonous, which, in fact, are good fodder. Through the combination of the descriptive text and the accompanying half tones stockmen can readily distinguish the dangerous plants. Application for copies should be made to members of congress and senators.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They need August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Will Ask New Trial for Green.

VANCOUVER, Wash., April 20.—Attorneys McCredie and Rands have prepared a motion for a new trial for James Green, the convicted Skamania county murderer. It will be filed in the superior court Monday. The grounds set out in the motion are error in the method of empanelling the jury; error of the court in refusing to grant the defendant's motion for a change of venue; error of law during the trial, to which exceptions were taken by the defendant's attorneys, and error of the jury in not rendering a verdict for murder in the second degree.

A Testimonial from Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by Blakeley, the druggist.

Bill Room Opened.

INDIANAPOLIS, Ind., April 20.—If the plans that are being matured here do not miscarry, Mayor Taggart, of this city, will be made chairman of the democratic national committee before the end of the present year and systematic organization will be begun throughout the states of the South and West to make David B. Hill, of New York, the party nominee for president at the next national convention.

Caught a Dreadful Cold.

Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Blakeley, the druggist.

Record for Lambing.

ARLINGTON, Or., April 20.—The best record for lambing, so far reported, is in a band of 6300 ewes, belonging to A. Smythe & Son, of this city. The increase is 6800 lambs. Some of the lambs weigh fifty pounds. Messrs. Smythe consider this a record-breaker. In their handling sheep, this rate of increase has never been equaled.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.

Largest Fish Wheel on Columbia.

STEVENSON, Wash., April 20.—The largest fish wheel on the Columbia river has just been completed by W. H. Warren at the Cascades on the Washington side. The wheel occupies the best position on the river, and no doubt during the open season will more than pay its cost of \$10,000.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have tried two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Clarke & Falk's P. O. Pharmacy.

Thousands Sent Into Exile.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. Don't be an exile when Dr. King's New Discovery for Consumption will cure you at home. It's the most infallible medicine for Coughs, Colds, and all Throat and Lung diseases on earth. The first dose brings relief. Astounding cures result from persistent use. Trial bottles free at G. C. Blakeley's drug store. Price 50c and \$1.00. Every bottle guaranteed.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. HOW CHARLES W. BABCOCK Proprietor Lyceum Shell Oyster Parlor, of Rochester, N. Y. Obtained \$2,000 Life Insurance Policy.

"My business as proprietor of the Lyceum Shell Oyster Parlor, 245 Main street, Rochester, N. Y.," writes Mr. Charles W. Babcock, "was so confining that my lungs became affected. My doctor told me I'd have to leave the store and go to work at something outdoors. He said my lungs were in bad shape, and I knew it just as well as he did. The trouble had been growing on me for a long time. Like most other people, I tried to make myself believe the trouble was not in the lungs. I called it stomach trouble or nervous disorder, but I kept coughing, spitting and wasting away right along. I lost in weight, falling from 140 to 115 pounds. Somehow or other, I got hold of Acker's English Remedy for Throat and Lung Troubles, and after taking it according to directions, I was as well as any man in New York State. I was healthier and stronger than before I took the cold which came so near killing me. I now weigh 150 pounds—ten pounds more than ever. After recovering, I applied for a life insurance policy. When the doctor began examining me, I was afraid he would discover that my lungs had once been affected, but he didn't. I passed all right, and was pronounced in a first-class condition. If that isn't proof of the most positive kind that Acker's English Remedy is a great medicine, I don't know what you call proof. I give it my warmest endorsement. My address is given above. Anyone who wishes may write me personally about my case."

Sold at 25c. per doz. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKE & CO., Proprietors, New York.
