AUGUST BUCHLER, Prop.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."

No Flowers Over the Foot-lights.

All flowers for members of "The Henrietta" company must be left at the dressing rooms, as no bouquets will be sent over the foot-lights. The reasons for such a rule are numerous. The principal one is that the presentation over the foot-lights necessitates a break in the situations and lines, and breaks into the action of the play, frequently interrupting the actor in the middle of a sentence, or causes a wait, or a climax.

In opera, where encores are permissible, flowers may be presented on a recall, but in dramatic productions it is not only bad for the actors but equally disturbing to the audience.

Caught a Dreadful Cold.

Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Blakeley, the druggist.

Sectional Feeling in the South.

PENSACOLA, Fla., April 24.—The county by of public instruction has demanded the resignation of C. H. Dye, principal of a public school. They allege Dye made himself obnoxious to teachers and pupils by his remark about the South, when the teachers were at work preparing a programme for the pupils to take part in the Confederate Decoration. Dye attempted to change the programme by substituting a song in accordance with his own sentiments.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store.

Will Test the Law.

ASTORIA, April 24.—Will Madison, a local cigar dealer, was arrested this afternoon for operating two nickel-in-the-slot machines contrary to the state law. The machines were also seized by the constable. Madison was released on bonds and the case will probably come up for trial tomorrow. The complaint was sworn to by Rev. B. F. Rowland, of the M. E. church. It was announced yesterday that an effort would be made to enforce the law, and all who had machines in use withdrew them except Madison. He states that he will test the validity of the law.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

Lopez Going Home.

SPRINGFIELD, Mass., April 25.—Senor Sixto Lopez has notified his friends here that he is going home, and if he finds press reports true as to a general submission to American sovereignty, he will acquiesce and join Aguinaldo in working for a peaceful acceptance of the rule. He said he will make one more speech in San Francisco before sailing, and expects to reach Manila in July.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have tried two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Clarke & Falk's P. O. Pharmacy.

A Testimonial from Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by Blakeley, the druggist.
