STEAD SEES WAR CLOUDS

Predicts Trouble Between England and America—The Trouble, He Thinks, Will Encourage the Boers to Keep Up Their Fight.

LONDON, April 26.—William T. Stead, in an interview with a representative of the Daily Mail yesterday, said: "The Boers are calculating upon England's becoming embroiled with Russia, or some other complication. If I am not mistaken, we are on the verge of a storm across the Atlantic that will rudely shatter our peaceful calculations. When the United States congress meets, the Clayton-Bulwer treaty will be torn into shreds and thrown into our faces. We shall have to choose between fighting and eating humble pie. The first serious discussion of the possibility of such a war will do more to keep the Boers in the field than all the speeches of all the pro-Boers in existence."

\$150,000 For Mrs. Sutro.
SAN FRANCISCO, April 25.—Mrs. Clara King-Sutro has secured from the representatives of the Adolph Sutro estate a recognition of the claims urged by her and her children, Adolph Sutro, Jr., aged 9, and Adolphine Sutro, aged 7 years. The settlement, which is on the basis of \$150,000, has been agreed on. The woman claims to have been contract wife of the late millionaire. It is intimated that she may secure the famous Cliff House as her share of the estate. Before his death Sutro executed a deed conveying to these children real estate in this city which was then estimated to be worth \$50,000.

Thousands Sent Into Exile.
Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. Don't be an exile when Dr. King's New Discovery for Consumption will cure you at home. It's the most infallible medicine for Coughs, Colds, and all Throat and Lung diseases on earth. The first dose brings relief. Astounding cures result from persistent use. Trail bottles free at G. C. Blakeley's drug store. Price 50c and \$1.00. Every bottle guaranteed.

He Kept His Leg.
Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.

Skin troubles, cuts, burns, scalds and chafing quickly heal by the use of DeWitt's Witch Hazel Salve. It is imitated. Be sure you get DeWitt's. Clarke & Falk's P. O. Pharmacy.
You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. Clarke & Falk's P. O. Pharmacy.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that affected a speedy cure. I cannot speak too highly of that excellent remedy." Mr. T. K. Houseman, Manatawney, Pa. Clarke & Falk's P. O. Pharmacy.
Moki Tea positively cures Sick Headache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts and 50 cts. Blakeley, the druggist.

Imagination supplies a great part of the pleasures of life. In no case is this so well illustrated as in the fact that many men will pay outrageously high prices to have their clothes made to measure, because they imagine they get a suit superior to ready-made. They did once—they don't now.

The Negro's Place.
NEW YORK, April 25.—A special to the World from Savannah, Ga., says: Governor Allen D. Chandler, in commenting on the coterie of philanthropists, headed by Robert C. Ogden, that recently made and "educational tour" through the South, says in part: "I do not think much of this tour. The negro colleges in the South do not need the aid of these Northern people very much. We can attend to the education of the negro in the South without the aid of the Northerners, and give them the education they most need, too. I do not believe in the higher education of the negro. He should be taught the trades, but when he is taught the fine arts he gets educated out of his caste, and is unhappy."

Cubans Meet Mr. McKinley.
WASHINGTON, April 25.—The Cuban delegation saw President McKinley twice today; once in the early part of day when there were expressions of friendship, and again at night when the members of the delegation were the guests of honor at a state dinner at the White House. The real business which brought the delegation here was not transacted, the president saying to the delegates that he would confer with Secretary Root, who would act as his representative in the conferences over the Cuban situation. The delegation and Secretary Root were closeted for some hours in the afternoon.

Burlington Deal A Go.
BOSTON, April 25.—The Chicago, Burlington & Quincy directors at a special meeting today voted to submit to the stockholders of the road a proposition from the Great Northern and Northern Pacific Railroads to take control of the Burlington. The offer for the Burlington stock is \$200 per share for not less than two thirds of the whole amount, to be paid in four per cent bonds of the two negotiating roads, the stockholders being given the option of taking part cash.

Is a Master Mason.
NEW YORK, April 25.—Roosevelt is now a Master Mason, having taken the third degree last night in Motinecock Lodge, No. 806, at Oyster Bay, L. I. The ceremony was witnessed by 300 Master Masons, including Grand Master Charles W. Mead, of the Grand Lodge of this state, and his entire staff, who did the work of the degree. Visiting brethren were also present from New Jersey and Massachusetts.

shot Lowdon dead. Hayes afterward claimed that he had no intention of killing Lowdon, but was in the act of firing a Fourth of July salute when his gun was accidentally discharged. The plea of the defense was insanity and lack of motive.

The Best Remedy for Rheumatism.
QUICK RELIEF FROM PAIN.
All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me it is the best remedy for muscular rheumatism in the market." For sale by Blakeley, the druggist.

Died on Scaffold.
UNIONTOWN, Pa., April 25.—Mark Thomas Hayes was hanged here today. He walked to the scaffold unflinchingly, had nothing whatever to say and refused religious consolation. The crime which cost Hayes his life has frequently been referred to as "The murder without a motive," as Hayes and his victim, Lowdon, had been close friends for years. On the night of July 3, 1899, Hayes, Lowdon and some others were carousing at the Hill Farm, near Dunbar. A quarrel arose between Hayes and Lowdon. Hayes went home, but soon returned with a shotgun and with the words: "I will allow no man to call me a coward."

Question Answered.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Catarrh Cannot Be Cured.
with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.
