

# Rolling Mill Consumption

Seven out of every ten men who work in rolling mills, iron foundries and glass factories die of consumption. You know how early in life these men pass away. The usual symptom is a lagging, persistent cough—sometimes short and hacking, sometimes hard and dry. The patient grows weaker and thinner day by day. Death eventually conquers. The trouble comes from intense heat and the constant breathing of the fine particles of dust and iron that fill the air. These particles, under a microscope, show rugged, sharp edges, which tear and mutilate the delicate lining of the throat and lungs. Perpetual sores are thus formed, and here it is that the germs of consumption find a place to feed and multiply. Acker's English Remedy was discovered in England, and is the only cure in the world for Rolling Mill Consumption. It heats up the sores, strengthens the mucous membranes of the breathing organs, permanently stops the cough, builds up the constitution and imparts vigor to the whole system. It must either cure or it costs you nothing. One bottle does wonders. Try it. What it has done for many others it will also do for you and your loved ones.

Sold at 25c, 50c and \$1 a bottle throughout the United States and Canada; and in England at 1s. 2d., 2s. 6d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

## Prophecy Comes True in Egypt.

"And there shall be a highway for the remnant of his people, which shall be led up from Assyria: like as it was to Israel in the day when he came up out of the land of Egypt."—Prophecy of Isaiah.

LONDON, April 18.—When Sir John Aird, the contractor of the great dam across the Nile at Assuan, walked across the dry bed of the river in front of the dam, the prophecy of Isaiah was fulfilled. The "tongue of the Egyptian sea" has of a verity been destroyed.

No more can it lick up the lives and harvests of Egypt at its pleasure, or, by twisting to one side or the other or by curling back, refuse to give to Egypt moisture when the parched fields are crying for water.

The tongue of the Egyptian sea has been destroyed. Men now walk back and forth in the dry bed of the great Nile. The prophecy is fulfilled.

The "tongue of the Egyptian sea," as Isaiah so picturesquely terms the Nile, has been destroyed by one of the greatest feats of engineering ever undertaken in modern times.

A great dam has been built in the Nile bed, on the southern side of the first cataract, near Assuan. The immense wall of solid granite which forms the dam extends from the right bank of the Nile to the left, a distance of a mile and a quarter, and, when completed, will rise 90 feet above the level of the

river at low water.

And when this top of the great dam is paved and graded into a thoroughfare, and cars and teams and people are passing at will back and forth upon it, then will come true the last part of the prophecy of Isaiah.

The object of the great dam at Assuan is to transform thousands of miles of dreary desert in Egypt into smiling pastures.

DR. SANBURN.

White Medicine Chief King of Cures in the City.

I am not representing any company, but am the White Medicine Chief myself. I was stolen and raised by Chief Elk, the Chippewa Indian, and from him learned the art of healing from the plants, herbs and berries, and it is the pure medicine made from herbs, plants and berries that effects my marvellous cures, and also my gift by the great power called magnetism learned from him. I heal in numerous instances without the use of medicines at all, merely with my hands. Through the power of magnetism I also tell each and every person their main diseases without the patient saying a word. I intend to make my home here for some time. The people of The Dalles have been humbugged in the past; but all I ask is that you give me a trial, and if the work is not as I say the money will be refunded in all cases. I also give a written guarantee in all cases that are curable.

My office is at the Chapman block, room No. 36, The Dalles.

Be sure to call and see the White Medicine Chief and be cured of your disease. Remember the place. Consultation from 9 to 12 a. m. and 2 to 8 p. m. Consultation free.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
