## BUYS TRANS-ATLANTIC LINE

One of the Greatest Shipping Institutions in Great Britain Passes Into Control of Americans.

LONDON, April 29.—The first step in the direction of the consolidation of some of the biggest trans-Atlantic shipping interests has been accomplished by the purchase by J. Pierpont Morgan & Co., of the Leyland line of steamers. A deposit on the purchase money has been paid.

The official of the Leyland Line, in confirming the sale, told a representative of the Associated Press that an official statement will be issued from the head offices of the line at Liverpool tomorrow. It is understood that the shareholders of the company will receive £14 10s for each £10 share.

The Leyland Line, whose fleets will thus pass into the control of Americans, is one of Great Britain's greatest shipping institutions, far exceeding the Peninsular & Oriental Steam Navigation Company in tonnage and importance. When some months ago it was suggested that the line was likely to pass into the hands of the Atlantic Transportation Company, much comment followed in regard to the effect it would have on other British lines, as it was generally felt in speculative circles that such a wide-reaching shipping amalgamation, in close touch with American railroads, would have serious consequences for lines outside the combination.

### Independence First.

NEW YORK, April 29.—"Even annexation might be acceptable to Cuba, if it came after independence," said Dr. Rafael M. Portuondo, one of the members of the delegation from the Cuban National Convention to Washington last night. "For fifty years she has longed and fought and bled for independence. That once attained, she would agree to any fair demands the United States could make."

Gratified with the outcome of their mission, the delegation, which has been in conference with President McKinley and Secretary of War Root, have arrived in New York.

In the party are General Portuondo, General Betancourt, Dr. Pedro Gonzalez Llorente, Dr. Diego Tamayo and Dr. D. Mendez Capote, the president of the convention.

Robert A. C. Smith, president of the American Mail Steamship Company, acted as host to the party, and under his chaperonage some idea of the parks and surroundings of the city was gathered by the visitors. After partaking of a Cuban breakfast at noon with Mr. and Mrs. Ricardo Narganes, of 157 West Eighth-street, the party was taken in four electric automobiles for a trip along Fifth avenue, through Central Park and up to the Sacred Heart convent, on One Hundred and Thirty-third street.

The visitors were entertained at dinner at Sherry's last night by Robert A. C. Smith, president of the American Mail Steamship Company. The commissioners will pay a visit to the Stock and Produce Exchanges today, and will sail for home Wednesday on the Ward Line steamship Havana.

### Caught a Dreadful Cold.

Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Blakeley, the druggist.

### Voorhees Discharged.

NEW YORK, April 29.—James P. Voorhees, a son of the late Senator D. W. Voorhees, was arrested last Thursday charged with being and accomplice in the robbery of a tailor shop, was discharged from custody today, the complaining witness having failed to make out a case against him.

## REFUGE OF CRIMINALS

United States is Being Made a Dumping Ground—Italy Sends Her Scum to America.

NEW YORK, April 29.—The Herald says: Italy is making of the United States a dumping ground for her criminals and paupers. This fact has been forcibly called to the attention of the local authorities by the arrival in this port of three Italian brigades, whose depredations made them a scourge to the provinces in which they were reared. Despairing of being relieved in any other manner, the merchants upon whom they had preyed made up a liberal purse, with which the three were sent to America, arriving here with money enough in their pockets to enable them to land unquestioned.

These three outlaws who encountered no obstacles to bar them from entering this country are now in Kansas City, Mo. Warning has been sent out by Police Commissioner Murphy to the Kansas City police officials, who now have the Italians under strict police surveillance. After their arrival in New York the brigades lived in a quiet manner, meanwhile maturing their plans for a career of crime in the West.

Commissioner Murphy found that this is no isolated case. "Italian criminals," said the commissioner, "are pouring into New York on every ship that brings immigrants. The popular belief that our laws bar out criminals and paupers is a mistaken belief. It may be that the Italian government has no part in the scheme, but it is still true that the United States is being made a dumping ground, receiving the castoffs from Italian prisons and pauper houses."

### Too Early in The Game.

ALBANY, N. Y., April 29.—Ex-Governor David B. Hill today gave out the following statement:

"My attention has been called to the story that has been going the rounds of the press that I am expecting to make a political trip through the West and South either this year or next. I desire to state that I do not contemplate any such trip. When recently advised that

an invitation was being prepared in the state of Washington and elsewhere requesting me to make such a visit, I immediately replied that it would be impossible and requested the abandonment of the proposed invitation.

"I will state further that I am not a candidate for the democratic presidential nomination in 1904. I am neither seeking the nomination nor expecting it. I regard all suggestions of candidates at this time as premature and inadvisable. No one can now tell what can or ought to be done in 1904."

### The Best Remedy for Rheumatism.

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me it is the best remedy for muscular rheumatism in the market." For sale by Blakeley, the druggist.

### Due to Accident.

LONDON, April 29.—The coroner's jury which has been investigating the death of Billy Smith, the pugilist, who was fatally injured April 22, at the National Sporting Club, in a bout with Jack Roberts, today rendered a verdict of accidental death.
