

From a Pastor

"I am the pastor of the Baptist Church at Port Jervis, N. Y., and sometimes am called upon to take part in evangelistic work away from home. Not long ago I went to Sandy Creek, N. Y., which is swept by the damp winds from Lake Ontario. Here I contracted a bad cough, and became so hoarse that I could hardly preach to my congregation. It was not only distressing in a bodily sense, but extremely embarrassing to enter the pulpit in this condition. I had heard of Acker's English Remedy and, after service, I bought a bottle and began taking it. The next night my throat was nearly well, and I delivered my sermon without difficulty. In a few days I was thoroughly cured. I conceive it to be my duty to benefit mankind physically as well as spiritually whenever I can, and am glad to write these words in praise of this grand old medicine. Those with sensitive throats and those who catch cold easily should certainly take Acker's English Remedy."

(Signed) Rev. Ezra Terry Sanford.
Sold at 50c. per bottle, throughout the United States and Canada; and in England, at 3s. 6d. per bottle. If you are not satisfied after buying, return the bottle to your druggist and get your money back.

PERSONAL MENTION.

Attorney H. E. Cross, of Oregon City, spent last night in the city the guest of Umatilla House.

Mr. and Mrs. Frank Campbell, of Portland, arrived here on the boat last night and went out to Kingsley this morning, where they will probably stay indefinitely with Mrs. Campbell's father, Mr. J. W. Cox.

Mr. J. H. St. Arnold, who has been east for the past month visiting relatives and friends in Minnesota, returned here on last night's train. Contrary to the expectations of his many friends in this city, Mr. St. Arnold came back alone.

Attorneys Frank Menefee and N. J. Sinnott left on the noon passenger for Prineville, where circuit court opens next Monday. These gentlemen have other business that will occupy their attention till court opens. Mr. Menefee will visit the scene of the recent murder in the Trout creek country.

SALMAGUNDI.

Oregon's State Board of Horticulture is no mere ornamental appendage. It has just informed fruit-growers that unless they keep their orchards free from pests the state will do it at their expense.—St. Louis Globe-Democrat.

Seeing at partisan newspapers is cheap and easy, but you always know where to find the honest partisan newspaper, while many of those professing independence can only be located after they have ascertained which side has the most inducements to offer.

The East Oregonian says: "Umatilla county has sold approximately 20,000 sheep this spring at prices ranging from \$1.75 for yearling wethers delivered after shearing, to \$2.20 for mixed yearlings, same delivery. These figures are almost identically the same as those recorded for last spring."

Twenty-four of the leading bankers, professional men and merchants of Richmond, Mo., have entered into an agreement to parade in shirt waists on May 1st, when they will march through the principal streets. At night they will give an entertainment and supper to introduce the shirt waist as a substitute for the "swallow tail" and Tuxedo.

The Prison Mirror, a handsome little newspaper published in Minnesota penitentiary the past twenty years, says: "Why is it from the first inception of our paper until the present time we have never had an editor in our midst? Other professions have been well represented. Of preachers we have had enough to furnish subsistence to an African chief for a year; doctors in sufficient number to depopulate a state, and lawyers enough to establish a good-sized colony in Hades. But editors—not one."

DR. SANBURN.

White Medicine Chief King of Cures in the City.

I am not representing any company, but am the White Medicine Chief myself. I was stolen and raised by Chief Elk, the Chippewa Indian, and from him learned the art of healing from the plants, herbs and berries, and it is the pure medicine made from herbs, plants and berries that effects my marvellous cures, and also my gift by the great power called magnetism learned from him. I heal in numerous instances without the use of medicines at all, merely with my hands. Through the power of magnetism I also tell each and every person their main diseases without the patient saying a word. I intend to make my home here for some time. The people of The Dalles have been humbugged in the past; but all I ask is that you give me a trial, and if the work is not as I say the money will be refunded in all cases. I also give a written guarantee in all cases that are curable.

My office is at the Chapman block, room No. 36, The Dalles.

Be sure to call and see the White Medicine Chief and be cured of your disease. Remember the place. Consultation from 9 to 12 a. m. and 2 to 8 p. m. Consultation free.

If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good. Clarke & Falk's P. O. Pharmacy.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, snuffs and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

AUGUST BUCHLER, Prop.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choice of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
