

# Very Unusual

It is very unusual for a regular physician of good reputation to publicly endorse a proprietary remedy. We have often heard of cases where doctors have secretly prescribed Acker's English Remedy, but it is most gratifying to receive the following voluntary letter from C. F. Smith, M. D., the most successful physician of Olean, N. Y.:

"Messrs. W. H. Hooker & Co., New York City: I wish to add my professional testimony to the value of your English preparation known as Acker's English Remedy for Asthma, etc. In several instances, after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving, but permanently curing every one of the patients. I endorse the preparation as one of the most valuable additions to the practice of medicine."

Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to avail themselves of. It is recommendations like this which make it possible to give the broad guarantee that is a part of every sale of Acker's English Remedy for Coughs, Colds, Asthma, Bronchitis and Consumption. It must either do all that is claimed for it, or your money will be refunded. Do you know of any other medicine sold on those terms? Do you know of any other medicines which prominent doctors regularly prescribe in their own practice as being better than prescriptions they write themselves? These facts are well worth considering. They are of especial interest to those with sore throats and weak lungs.

Sold at 25c. per bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

White Medicine Chief King of Cures in the City.

I am not representing any company, but am the White Medicine Chief myself. I was stolen and raised by Chief Elk, the Chippewa Indian, and from him learned the art of healing from the plants, herbs and berries, and it is the pure medicine made from herbs, plants and berries that effects my marvelous cures, and also my gift by the great power called magnetism learned from him. I heal in numerous instances without the use of medicine at all, merely with my hands. Through the power of magnetism I also tell each and every person their main diseases without the patient saying a word. I intend to make my home here for some time. The people of The Dalles have been humbugged in the past; but all I ask is that you give me a trial, and if the work is not as I say the money will be refunded in all cases. I also give a written guarantee in all cases that are curable.

My office is at the Chapman block, room No. 36, The Dalles.

Be sure to call and see the White Medicine Chief and be cured of your disease. Remember the place. Consultation from 9 to 12 a. m. and 2 to 8 p. m. Consultation free.

Clarke & Falk have on sale a full line of paint and artist's brushes.

**Question Answered.**  
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.
