HON. E. B. MC-ELROY DEAD

Ex-State Superintendent Met End Suddenly—Victim of Heart Trouble.

EUGENE, May 4.—Hon. E. B. McElroy, state superintendent of public instruction for twelve years, and one of Oregon's most prominent educators, died suddenly at his home in this city early this morning. Professor McElroy retired in his usual good health. About 12:15 he was taken with an intense pain about the heart. He immediately realized that the attack would be fatal, and summoned his family. They had only time to get to his side before he expired.

Ebenezer Burton McElroy, A. M., Ph. D., was a native of Pennsylvania, where he was born September 17, 1842, being the youngest of a family of twelve children. His early life was spent on a farm. After completing his education, which he acquired in his native state, he began teaching, at which he was engaged in 1861, when the war broke out. His patriotic spirit took possession of him, and he enlisted as a private in Company B, First West Virginia Volunteers. He served in that regiment until 1863, when he was mustered out and re-enlisted in the One Hundredth Pennsylvania Volunteer Infantry, and served until July, 1865, when he was again mustered out.

After the war he spent two years more pursuing his studies in college, and again took up the work of teaching. Professor McElroy was married in 1869, to Miss Agnes McFadden. Together they came to Oregon in 1874, and settled in Corvallis, where he taught one year in the public schools, and the following year was given the chair of literature in the State Agricultural College, which he filled until he was elected state superintendent of public instruction in 1880, in which office he served three terms.

Upon retiring from office in 1892, he was appointed to a chair in the University of Oregon, which he filled until a year ago, when he resigned. He had since been devoting his attention to his farms and stock interests.

A wife and five children survive him—Willis E., Lucian G., Coleridge, Alicia and Lillian.

Double Murder on Farm.
LITTLE FALLS, N. Y., May 4.—A double murder occurred in the town of Warren, near Richfield Springs, tonight. The victims were Benjamin Hoyt and Mrs. John C. Wallace. Hoyt murdered Mrs. Wallace and was afterwards shot by Mr. Wallace. Mr. Wallace is a wealthy farmer and Hoyt was employed by him as a hired man.

A year ago Mrs. Wallace, who was about 55 years of age, eloped with Hoyt, who was only 35. They returned to Wallace's home last Fall and the wife was taken back by her husband and Hoyt again began working on the farm. Recently, Hoyt had been importuning Mrs. Wallace to elope with him again, but she refused. A bitter quarrel started to-night, and Hoyt was ordered to leave the house by both Wallace and his wife. He refused to go and Wallace stepped into another room, presumably to get a gun. As soon as he left the room, Hoyt shot Mrs. Wallace, the ball killing her instantly. Mr. Wallace then rushed into the room. As he did so, Hoyt shot at him, but the bullet went wild. Wallace then shot and killed Hoyt.

Wallace is not yet under arrest, but is at his home awaiting the arrival of the sheriff.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Burned Itself Out.

JACKSONVILLE, Fla., May 4.—Jacksonville's great fire yesterday has burned itself out. One hundred and forty-eight blocks of a beautiful city have been laid waste. The loss will not be known, even approximately, for a week, but it is expected it will amount to \$10,000,000. There are many rumors afloat that many lives were lost, but as every undertaker in the city was burned out, it is im-

possible to obtain confirmation of the rumors. One story is persistently reiterated to the effect that a party of men and women, driven to the docks by the fire, were compelled to jump into the water and that several of them were drowned. Mrs. Hogan, a negro woman, was burned in her house.

The burned district is 13 blocks wide and two miles long, and extends from the St. John's river, where it burned ten docks to the water's edge, to Catherine street, on the east; Orange on the north and David on the west. This immense area was swept as clean as a floor.

Yakima Indians Excited.

TACOMA, May 4.—The Yakima Indian tribe is excited over the murder of Chief Tenewashi, the oldest medicine man of that tribe. He was killed at his home on the Yakima reservation, being shot in the back with a rifle, as evinced by two bullet holes. The Indian agent and police believe he was murdered because he failed to cure several cases of smallpox.

Should Change Text Book.

BAKER CITY, Mar. 4.—Text-book publishers continue to remember Hon. C. A. Johns, of this city, a member of the State Text-book commission, with all kinds of school books. Mr. Johns has not had time to examine the different works, and therefore is not prepared to pass on their merits. He does say, however, that he thinks there is chance for improvement on some of the text books now in use in this state.
