**THE WHOLE CUBAN QUESTION.**

Senator O. H. Platt, of Connecticut, chairman of the senate committee on relations with Cuba, and author of the much discussed Platt Amendment, sums up the entire Cuban question and its solution in the May World's Work. This paper of Senator Platt's is of great national and permanent significance, for it gives the cue for the United States' ultimate settlement not only with Cuba but with all the possessions left us by the Spanish war. It is really the solution of the entire colonial problem, the "conclusion of the whole matter."

"The whole question," says Senator Platt, "may be summarized in a sentence. The United States of right may, and must, insist that before it will withdraw from the military occupation of Cuba there shall be a friendly government established there which will in case of necessity assist in the discharge of all international obligations and in protecting the life, liberty and property of all its inhabitants. To require less would be national folly and result in national disgrace."

"It is unfortunate, to say the least, that any one should suppose that in requiring the relations between the two countries to be thus defined, we are in some sense interfering with the independence of Cuba. Assent to the proposition set forth can in no sense detract from or impair Cuban independence. An independent government is none the less independent because it enters into agreements by way of treaty, or by way of an ordinance attached to its constitution, with another government. We make treaties with many nations in which we assume obligations and concede rights, but we are none the less independent, and Cuba will not be less, but more surely independent than it could otherwise be, when it shall assent to terms by which its independence will be firmly secured. Self-government without the benefits naturally resulting therefrom, would be of little value. Cuba needs a real, not a paper independence, and this the United States alone can assure her."

**FOR THE COASTWISE TRADE.**

The boom in Maine shipyards waxes rather than wanes. More than five thousand tons of vessels have already been launched this year and there are now on the stocks a net tonnage of thirty five thousand.

But, according to the Boston Journal, few steamers are included, and most of the sailing craft are the now favorite four and five masted schooners. Six five-masters and ten four-masters are on the list. The only square-riggers are two steel ships of three thousand tons, suitable for the California trade or oil carrying to the Orient. A few of Maine's great schooners engage in foreign commerce, but, as a rule, the work

which now keeps her shipyards full is tonnage for the coastwise trade, from which foreign craft are absolutely excluded. Only "greenhorns" will use Maine's shipyard activity as proof that American ships in the deep sea trade are "prospering without subsidies."

It is the steady and large demand of the protected branch of our merchant marine which is the main reliance of our shipyards, not in New England only, but all along the coast. If it had not been for this, shipbuilding twenty years ago might have become a lost art in America.

**DR. SANBURN.**

White Medicine Chief King of Cures in the City.

I am not representing any company, but am the White Medicine Chief myself. I was stolen and raised by Chief Elk, the Ojibwa Indian, and from him I learned the art of healing from the plants, herbs and berries, and it is the pure medicine made from herbs, plants and berries that effects my marvelous cures, and also my gift by the great power called magnetism learned from him. I heal in numerous instances without the use of medicines at all, merely with my hands. Through the power of magnetism I also tell each and every person their main diseases without the patient saying a word. I intend to make my home here for some time. The people of The Dalles have been humbugged in the past; but all I ask is that you give me a trial, and if the work is not as I say the money will be refunded in all cases. I also give a written guarantee in all cases that are curable.

My office is at the Chapman block, room No. 36, The Dalles.

Be sure to call and see the White Medicine Chief and be cured of your disease. Remember the cure. Consultation from 9 to 12 a. m. and 2 to 8 p. m. Consultation free.

**What's Your Face Worth?**

Sometimes a fortune, but never, if you have a sallow complexion, a jaundiced look, moth patches and blotches on the skin, all signs of Liver Trouble. But Dr. King's New Life Pills give Clear Skin, Rosy Cheeks, Rich Complexion. Only 25 cents at G. C. Blakeley's Drug Store.

**White Man Turned Yellow.**

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25c. Sold by G. C. Blakeley, the druggist.

If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good. Clarke & Falk's P. O. Pharmacy.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.
