A Grocer Says

"I guess everybody in Bellevue, Ohio, knows O. B. Callaghan, the grocer. I am

ploy, and am about as well known as he is. as he is. A grocery is a place where you have cold gusts of wind coming an every time opens, and there is a good deal of running

time about our

f-doors too. Anyhow, I catch cold very often, but the minute I begin to sneeze I reach up on the shelf and take a dose of Acker's Eng-

lish Remedy. I tell you it is wonderful how quickly it stops a cough or cold. I have used it myself, and in my family for a number of years. It works like a charm. I suppose some of the folks would have run into consumption before this if I had neglected to keep a bottle ready all the time for immediate use. I wouldn't think of using anything else for throat and lung troubles. I know what Acker's Remedy actually does, so what sense is there in ex-perimenting? Certainty is better than chance."
