Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." It cures all blood diseases where cheap Sarsaparilla and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered." So writes A. L. Spafford, Chester, Mich. Clarke & Falk's P. O. Pharmacy.

ADVOCATE OF RECIPROCITY

Jules Siegfried Talks of Our Trusts—He Declares Europe Will Combine Against Us.

CHICAGO, May 8.—"If the great trusts in this country encroach on European markets to the detriment of European manufacturers, I predict a combination of the commercial countries of Europe to raise tariffs on American goods to almost prohibitive figures."

So spoke Jules Siegfried, France's minister of industry, commerce and the colonies in the cabinet of Ribot in 1892 and 1893, who is at present in this city.

"There is but one logical solution of the present situation," continued Mr. Siegfried, "and that is the signing of a fair and equitable reciprocity treaty between the different nations. I have been in favor of such treaties, because they foster trade and increase the friendliness of political relations between countries party to them. It really is the only logical solution of the approaching trouble."

"Do I believe a combination of European powers is probable in the near future? Well, it will follow after several of the countries have put up their tariffs to protect their own manufacturers. You are a wonderful people, and your country is marvelous in its resources, and when your competition becomes so great as to be alarming the combination of governments will be a very natural result."

"Under reciprocity this situation would be almost impossible. Take your own country for example. We buy our steel, iron and machinery from England, but we could buy it from your mills just as well. Under a reciprocity agreement between the two governments we would come to you for our steel, our iron, our coal, our machinery and, in fact, nearly all of the material used in our manufactures and industries. On the other hand, we would send you our gloves, our fine linen and lace and cotton goods, and the commercial relations established would bring the two countries into closer and more cordial political relations. It would be of benefit to both."

The Social Evil in Manila.

WASHINGTON, May 7.—General MacArthur, as governor of the Philippines, has reported to the adjutant general of the army, concerning allegations made against the authorities in Manila relative to the social evil which exists in that city. General MacArthur says the writers of letters, which he has received, have been misled and have an imperfect knowledge of the conditions. He says that prostitution is not licensed in the Philippines and that prostitutes are not landed in Manila unless they have secured previous resident rights. The police regulations of the social evil are such as to check the spread of disease, something that is found necessary in that tropical climate. General MacArthur says also that Manila can challenge a comparison to its moral, orderly condition with any city in the United States. The general suggests that a committee consisting of those who make the allegations against the government be sent to that city to make investigations, but adds that such a committee should first acquaint itself with conditions in tropical countries.

New Gun's Stupendous Power.

NEW YORK, May 8.—Captain Wheeler, of the ordinance bureau, has been ordered to Watervliet, N. Y., says a World special from Washington, to make a final inspection of the 16-inch gun now nearing completion at that place. It is expected that this gun will be capable of throwing a ball weighing 2370 pounds a distance of twenty-one miles. The gun weighs 130 tons, and its total length is 49 feet 29-10 inches. The length of the bore is 37 feet, 4 inches, with a rear diameter of 60 inches.

The gun is to be sent to Buffalo and will be one of the interesting features of the war department exhibit. If the weapon proves a success it is possible that others will be constructed to be located at New York, Boston, San Francisco and possibly Hampton Roads.

Drying preparations simply developed dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him. Clarke & Falk's P. O. Pharmacy.

Clarke & Falk's Flavoring extracts are the best. Ask your grocer for them.
