Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by G. C. Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Bochee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered." So writes A. L. Spafford, Chester, Mich. Clarke & Falk's P. O. Pharmacy.

PANIC AND BIG BOOM IN STOCKS

While Northern Pacific Soars Skyward—Other Securities Slump Off—And Create the Necessity for the Bulls to Make Easy Terms For the Bears' Settlement.

NEW YORK, May 9.—Brokers, speculators and others who go to make up the daily life in Wall street came early to their offices this morning, in anticipation of a crucial day. Interest naturally centered in Northern Pacific. The best opinion on the street was that the Harriman-Gould-Rockefeller crowd and the Hill-Morgan-Vanderbilt interests have locked horns. The first figures from London showed a rally in American shares.

JUMP OF 130 POINTS. Northern Pacific opened this morning with a plunge. The first sale was at 170, a gain of ten points. The rise continued and at 10:45 o'clock cash sales were made at 300, or 130 points over the opening. Union Pacific opened lower.

SAILED UP TO 1000. Soon after 11 o'clock, Northern Pacific sold for 1000 cash, while other stocks were tumbling all along the line. Everything was panicky, barring Northern Pacific, and a decline of from 5 to 10 per cent was common. Union Pacific lost heavily, early falling from 106 to 85. Scenes on the Stock Exchange were wild in the extreme, brokers fighting and tearing about like mad. In 1895, Northern Pacific was selling for 2 1/2. At noon, a healthy reaction took place.

At 2 o'clock, Northern Pacific was quoted at 300 cash. While a panic and turmoil were on in the Stock Exchange, the curb was having a slump of its own. Standard Oil fell to 171. Later, it recovered and sold to 700.

HOW THEY SAVED A PANIC. J. P. Morgan & Co., Kuhn, Loeb & Co., and Street & Norton, representing the big interests that have been fighting for control of the Northern Pacific, did much to check the panic by officially announcing they would not demand today the shares of Northern Pacific due them. After this, Northern Pacific dropped to 500 and the general market began to go up.

Kills a Friend and Himself. HARBES CITY, May 9.—John Maher shot and killed John Wyatt and then shot himself, both dying instantly, here last Saturday morning.

Maher was an old pioneer of this county, having come here in 1883, and located on a ranch four miles west of this place, where he made a start in the stock business. Wyatt came here about twelve years ago and bought a small farm near this city, where of late years he has been the leading grain-raiser of this vicinity.

The two men have always been the best of friends and a few days ago Maher complained of being sick and came to Wyatt's place to have Wyatt take him to Baker City to be treated. They were to have started the morning of the shooting, and Maher had gone out and fed the team, while Wyatt prepared breakfast, which was on the table when the two men were found. It is supposed that Maher went suddenly insane and while he was trying to kill himself, Wyatt interfered and was shot.

The men were both single. Maher has no relatives living in this county, and probably has none in the state, although several years ago a brother lived in John Day valley. He was a native of Ireland and was 53 years of age. Wyatt has relatives living all over the county and was born in Indiana in 1863, and was 38 years of age.

Will Pool Their Wool.

BAKER CITY, Or., May 8.—The principal woolgrowers of Eastern Oregon are arranging to call a convention to meet in this city at an early date to form a wool combination. The convention will be similar in character and object to one held at Rawlins, Wyo., a few days ago. If the Wyoming plan is adopted, the wool buyers will have to meet the growers in convention and submit sealed bids for the wool which the growers will offer for sale. The bids will be opened by the

The Big Declines.

NEW YORK, May 9.—A statistical review of the transactions in the stock market today shows that at low-water mark of prices, forty-one principal stocks had shrunk the tremendous figures of \$698,388,407. This shrinkage, however, is largely offset by the recovery of the market toward the close. Selecting some of the more prominent stocks and applying to them the low-price calculation gives the following showing:

Result of Abolition of Canteen.

CHICAGO, May 7.—The report of the committee of ministers which recently investigated charges that the abolition of the canteen at Fort Sheridan had resulted in much drunkenness among the soldiers, has made its report. The report embraces statements by many persons living in Highwood and other places near the fort, and shown that the charges of greater disorder were untrue. For the three months preceding the abolition of the canteen the percentage of arrests was 5.2; for the three following, 4.9.

Watch Trust Falls Through.

BOSTON, May 9.—A director of the American Waltham Watch Company says:

"The officers of the American Waltham Watch Company have informed the promoter of the proposed watch trust that that company will not become a party to any consolidation of watch companies. Other companies have declined to go into the trust movement, and the \$75,000,000 combine has been abandoned."
