If a man had a \$50 pup, says a country editor with more truth than poetry, perhaps, he would look after it carefully and not let it have the run of the town by day and by night. But if he has a child, it is different. They are turned loose at a tender age, to go where they will and do as they please.

President McKinley, successor to George Washington, has kept sixty thousand soldiers in the Philippines for nearly three years to force the "consent" of those whom he would govern.—Eugene Guard. And President Lincoln, a still greater successor of the immortal George, kept over half a million of soldiers in the South for over four years to force the "consent" of those whom he would govern, and the survivors of the men thus forced and their political heirs at law now worship the memory of Abraham Lincoln and honor him for his coercion as one of the greatest men that ever lived.

The Roseburg Review, which could not be happy without some political bugaboo to growl about, has hatched out this problem to annoy itself and its readers with: "The cost of maintaining a first-class hotel on wheels during a period of seven weeks, covering a distance of more than ten thousand miles, carrying about fifty persons, cannot be much, if any, less than a year's salary of the president—\$50,000. It will hardly be claimed anywhere that Mr. McKinley pays this but the question is, who does? Why, bless your soul, man, don't you know that Mark Hann and the trusts pay it all?—Statesman.

Wall street was never so wild, says the Telegram. Such gambling was never done on this little earth before. Northern Pacific—at 14 five years ago, 50 last year, 115 last week, is selling at 1000 today, and men fighting like wild beasts over a fat carcass to get stock. This is very interesting to Portland. Let us quietly remark, by the way, that sometime, not very far away now, the Northern Pacific, whoever owns it, will come down the Columbia river from Waulula to Portland.

Not many years ago it was claimed that the gold standard would make the United States the slave of England. The recent loans of American money to England are a striking refutation of that populist notion.

Tom Johnson sees his dilemma in charging 5-cent fares on the street railway he owns in Johnstown, Pa.,

His conscience troubles him so much that he is trying to sell the road at a big advance.

Last month the United States sold abroad \$49,000,000 more than it purchased in foreign countries, which is a neat little balance in our favor, averaging \$1,577,000 for every day in March.

"The man who will not yell himself hoarse over a good ball game is fit for treason and for baser crimes," says the philosophic editor of the East Oregonian.

If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good Clarke & Falk's P. O. Pharmacy.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.

"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup. Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Remedy. After I did hear of it, I got a bottle. When our little eighteen-months-old girl was stricken with croup, I gave her this medicine, and inside of twenty minutes she vomited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely. Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker." (Signed) Mrs. JOHN YEAGER, Rochester, Pa.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

FOR about thirteen years I have devoted more time to politics than to business. The result is that my business has suffered. For a time, at least, I propose to devote more time to business and less to politics, provided the other fellows will let me.

During these years some features have come into practice among business men that were not considered proper or necessary at that time. Among them is the scheme of profit-sharing or giving to some lucky customers a valuable present. I propose to do something in this line myself.

For each fifty cents paid to me for goods furnished I will give the customer a numbered coupon. On each Saturday at 9 p. m. I will give away two presents—one, a year's subscription to any \$1 periodical desired, and the other, one copy of some of the famous pictures neatly framed, the customer can also make a choice of these as there are a number to

be given away before supply is exhausted. In addition, every month I will give several valuable presents. On June 5th the presents will be a fine Bible, a Webster's International Dictionary, one year's subscription to a \$4 periodical and one Boys' Baseball Set. The presents to be given away on July 6th will be announced later.

I hope to confine myself in these presents to articles in my own line so that I will not interfere with sale of goods in other lines. In addition I will give a dividend each month to the person who has purchased the most goods from me. On June 5th this will be \$5.00. You do not have to purchase fifty cents worth at one time to get a dividend check, as I issue certificates of sale for less amounts which can be exchanged for dividend check when they amount to fifty cents. If clerk does not give you checks or certificates when you make a purchase, ask for them.
