## WAYSIDE GLEANINGS.

It won't occur until the 20th; but keep the date in mind.

Clarke county, Washington, has refunded \$40,000 of 6 per cent bonds at 4 per cent.

The Shaniko Leader says: W. Lord will begin the erection of three dwelling houses just as soon as the material for the same can be shipped in.

Marion Thompson and Jerry Cochran, of Rail Hollow, near Dufur, have been subpoenaed as witnesses in the Bruner-O'Riley murder trial, now in progress at Prineville.

The Goldendale Sentinel says: Andy Bunnell has sold all his wethers for \$3.10 per head to an Eastern buyer. He reserves all the wool. His lambs average an increase of 117 per cent this year.

The trial of J. Brown in Recorder Gates' court yesterday afternoon, for committing a nuisance on the premises of John Moore, resulted in the conviction of the defendant, who was fined \$40 and costs.

The manager of the Edison Big Electric Shows, now exhibiting east of the Gilbreth lumber yard on Second street, has agreed to give ten per cent of the receipts of this (Friday) evening to the Dalles public library.

The baseball game next Sunday between a Portland nine and The Dalles nine will commence as soon as possible after the arrival of the excursion train from Portland. Tickets for the game are still on sale at 25 cents each.

Professor Sandvig, in response to so many requests that he could no longer resist, announces that he will give one more dance at the Baldwin tomorrow (Saturday) night. The hall is beautifully decorated so as to greatly enhance the pleasure of the occasion.

While one of Alex. Catcart's dray teams was backed up yesterday afternoon against a box car near the Wasco warehouse, preparatory to unloading a dray-load of brick, a locomotive came along and, frightening the horses, they started on the run, making west on Second street as far as west of J. Wore-

ley's grocery store where they attempted to cross the side walk but were caught, just as the reach of the wagon snapped in two—the only damage that was done to anything.

The Baldwin Sheep & Land Company have twenty wool clipping machines in operation at Hay Creek. Those who have seen the machines at work speak highly of them, as they clip the wool closer to the animal and no ugly cuts are left upon the sheep to heal up.—Shaniko Leader.

The National School of Illustrating, of Indianapolis, Ind., has honored Miss Violet Kent, of this city, by giving a crayon sketch of hers of the bust of the late Prince Bismarck, the place of honor in a pamphlet of testimonials of the students of that institution. The sketch is well worthy of the honor. Miss Kent has charge of the Gifford photograph gallery of this city.

The first railroad excursion of the year will take place next Sunday and be given by the Past Sachers' Association from Portland to The Dalles. A Portland paper says this excursion gives promise of being one of the most successful that ever pulled out from the Union depot. Trains will leave Portland at 8:30 a. m. and arrive here about noon, and on returning will leave at 5 p. m., thus giving the excursionists between four and five hours of a stay here.

An old negro in a neighborhood town arose in prayer meeting and said: "Brederin and sisterin, I been a mighty mean nigger in my time. I had a heap er ups and downs—specially downs—since I jined de church. I stoled chickens and water millions. I cussed. I got drunk. I shot craps. I slashed udder coons wid my razor, an' I done er eight er udder t'ings, but, thank de good Lawd, brederin an' sisterin I neber yet done lost my 'ligion.'"—Blue Ridge (Ga.) Post.

From a private letter received by Mr. J. B. Crossen this morning it is learned that his son, J. A. Crossen, now in the employ of the Southern Pacific Railway Company, has been selected out of between 300 and 400 brakemen, many of whom have been in the employ of the company for years, as one of two brakemen to accompany the presidential excursion train from Santa Barbara to San Francisco, a trip that will occupy some four days. Our friend Jimmy is naturally proud of the honor conferred on him by this distinction.

Joe Kirchoff, formerly in the employ of Mays & Crows as gunsmith and bicycle-repairer, returned here yesterday from the Baker City hospital, where he has been confined for the past two months with a very severe case of blood-poisoning. Mr. Kirchoff had gone from here to work for the Golden Eagle Mining Company, and had only been at work a week when a splinter from a pipe he was helping to lay in a tunnel entered his left hand with the above result. It was a very close call, but Mr.

Kirchoff is now out of danger, with his hand and arm intact, save for the loss of the index finger. It is doubtful if he will be able to resume work before the end of a month or six weeks.

M. T. Nolan exhibits, in one of his show windows, a number of valuable presents that he intends to give away to his customers, among which is a magnificent King James family Bible, bound in alligator morocco and a Webster's international dictionary, with latest index, bound in sheep, besides a number of framed pictures, copies of famous paintings. Mr. Nolan's plan is to have a drawing every Saturday night, at which those holding the lucky coupons will be entitled to a picture and a year's subscription to a dollar magazine; also to have a drawing on the 5th of June, when those holding the lucky coupons will be entitled to the family Bible and dictionary and a boy's baseball outfit. Mr. Nolan gives a coupon to every purchaser of 50 cents' worth of anything sold in his store.

There is a strong possibility that The Dalles may have a woolen mill before many moons. A gentleman, representing an Eastern woolen manufacturer, spent a couple of days in the city this week looking over the situation and conferring with the members of the committee on manufactures of the Commercial club. It is proposed to put in a four-set mill, the machinery to be first class in every respect and strictly up-to-date. The mill would give employment to about 80 persons. No bonus is asked but the people of The Dalles are asked to subscribe \$25,000 in ten-year bonds. The subscription asked is on the same principle as that made to the scouring mill. The gentleman proposing to put in the mill has given the highest possible references and the committee of the Commercial club have written to the parties and expect replies in the course of a week or so. The committee are strongly of the opinion that if the references are found as satisfactory as they expect them to be, there will be no great difficulty in raising the necessary bond subscription.

Van Woodruff, of Victor, while in town today, sold ninety-five head of fat hogs to the Columbia Packing Company. The hogs will average about 250 pounds each. On the first of last February Mr. Woodruff sold to the same company seventy head, which brought him the round sum of \$999.50, and he has still 300 head of stock hogs left. He would not tell THE CHRONICLE what he got for the last lot, but THE CHRONICLE knows for a fact that Mr. Woodruff recently refused \$5.35 a hundred, and judges, therefore that he got, at least, 5½ cents a pound. Mr. Woodruff reckons that he has put into his hogs, sold and unsold, 4000 bushels of wheat. That is to say, they cost, measured in wheat, 4000 bushels. He says he could pull out of the stock hog band one hundred head of block hogs that would dress one hundred pounds each. Reckoning,

therefore, the value of all the hogs that are represented by the 4000 bushels of wheat, Mr. Woodruff figures that he has got for his wheat the equivalent of 75 cents a bushel at the ranch. The ranch, let it be said, is nearly fifty miles from The Dalles.

## County Court Proceedings.

At the meeting of the county commissioners' court, which convened Wednesday and adjourned last evening, the following business was transacted:

The matter of the petition of H. Longgreen and others for a change in a county road, against which there was a remonstrance signed by Emile Kahter and others, was continued to the next term of court.

## TO DELINQUENT TAXPAYERS.

The county court has instructed the county clerk to place a warrant on the tax roll of 1900 commanding me to collect the taxes for said year by making sale, if necessary, of the property therein mentioned, and to return the roll inside of sixty days.

I am sworn to do my duty, and am also under bonds for its faithful performance; therefore have no alternative but to obey the mandate of the court, and will immediately proceed to make out a list of delinquents and advertise the property for sale.

ROBERT KELLY, Sheriff of Wasco Co.
