"How will those who claim that Great Britain's credit is as good as that of Uncle Sam reconcile these two propositions; United States bonds, carrying 2 per cent interest, bring practically 106 in the market, and British consols carrying 2 1/2 per cent interest and being offered at 94 cents? One is at a premium and the other at a discount of 6 per cent," asks the Seattle Times, that only a short time ago was the leading, ablest and most inveterate advocate of the free silver lunacy in the state of Washington. The Times' question needs no answer. It answers itself.

The Dalles Chronicle learns that Hon. John Michell, of that city, has been appointed to a federal position at Washington, D. C. The appointment is understood to be in connection with the U. S. senate. Senator Simon secured the appointment. There is no man in Wasco county more deserving of recognition by the republican party than Hon. John Michell. For years he published The Dalles Times-Mountaineer, and did more for his party than it can ever do for him.—Hood River Glacier.

W. H. H. Dufur is mentioned for the position of U. S. marshal for Oregon. Mr. Dufur is now superintendent of the Cascade forest reserve. In every capacity that he has ever served the people he has proved his efficiency, and if he is made U. S. marshal he has many friends in Hood River who will be glad to hear of the appointment, says the Glacier.

The article published in Thursday's CHRONICLE, entitled "Bryan As a Noise," was wrongly credited to the St. Louis Mirror instead of the Baker City Republican. The article was so well written that the editor of the Republican should congratulate us because we resisted the temptation to steal it boldly and take all the credit.

By a new ruling of the postoffice department anyone who carelessly or otherwise takes mail not belonging to him from a postoffice and fails to return it forthwith is liable to a fine of \$200, or one year's imprisonment. The law applies to newspapers as well as letters and other valuable mail.

The wife of Editor Byars, of the Goldendale Sentinel, presented him with twins Thursday. The Lord help him!

TO DELINQUENT TAXPAYERS. The county court has instructed the county clerk to place a warrant on the tax roll of 1900 commanding me to collect the taxes for said year by making sale, if necessary, of the property therein mentioned, and to return the roll inside of sixty days. I am sworn to do my duty, and am also under bonds for its faithful performance; therefore have no alternative but to obey the mandate of the court, and will immediately proceed to make out a list of delinquents and advertise the property for sale. ROBERT KELLY, Sheriff of Wasco Co.

Saves Two From Death. "Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Deep-seated throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by G. C. If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good. Clarke & Falk's P. O. Pharmacy.

After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.

FOR about thirteen years I have devoted more time to politics than to business. The result is that my business has suffered. For a time, at least, I propose to devote more time to business and less to politics, provided the other fellows will let me.

During these years some features have come into practice among business men that were not considered proper or necessary at that time. Among them is the scheme of profit-sharing or giving to some lucky customers a valuable present. I propose to do something in this line myself.

For each fifty cents paid to me for goods furnished I will give the customer a numbered coupon. On each Saturday at 9 p. m. I will give away two presents—one, a year's subscription to any \$1 periodical desired, and the other, one copy of some of the famous pictures neatly framed, the customer can also make a choice of these as there are a number to

be given away before supply is exhausted. In addition, every month I will give several valuable presents. On June 5th the presents will be a fine Bible, a Webster's International Dictionary, one year's subscription to a \$1 periodical and one Boys' Baseball Set. The presents to be given away on July 6th will be announced later.

I hope to confine myself in these presents to articles in my own line so that I will not interfere with sales of goods in other lines. In addition I will give a dividend each month to the person who has purchased the most goods from me. On June 5th this will be \$5.00. You do not have to purchase fifty cents worth at one time to get a dividend check, as I issue certificates of sale for less amounts which can be exchanged for dividend check when they amount to fifty cents. If clerk does not give you checks or certificates when you make a purchase, ask for them. M. T. NOLAN

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
