We have an excellent line of Spring Suits, Pantings, etc., which we are prepared to make up in the latest styles, and guarantee a perfect fit.

A TOUGH OUTFIT.

THE CHRONICLE fully endorses the following, which was handed us this morning by a highly esteemed matron of this city. Our only comment on it is that it is entirely too mild. To be sure the large majority of the excursionists were plainly highly respectable people who conducted themselves as ladies and gentlemen should; but there was a substratum of toughs of both sexes that gave one the impression that Portland's notorious North End was taking an outing. Literally scores of these young toughs were drunk when they arrived here and kept drunk till they left. Their conduct while in The Dalles was a disgrace to the excursion and a disgrace to the town that owns them as residents. The lady says:

"It was a pitiable and disgusting scene Sunday to see boys of tender years intoxicated, and several girls were also in the same condition. It is questionable whether Sunday excursions benefit our city, as they are not, to say the least, tending toward elevation or refinement; and to those who came up on the train to visit a few hours with friends, the scenes on the train were disgusting in the extreme. Bottles of whiskey were thrown through the cars, and windows shot out of buildings on route; besides the obscene language that was exchanged between boys and girls who evidently did not make up Portland's even second-class citizens. The excursion was not creditable to anyone concerned."

Colonel Bryan writes in his paper that "abandonment of the doctrines set forth in 1896 and 1900 will not only drive away many democrats, but repel allies and keep young men away." On the other hand, everybody else besides the colonel believes that if the doctrines of 1896 and 1900 are retained in the platform of 1904 the party will be beaten worse than it ever was. That is to say, to borrow a classical phrase, the democratic party is between the devil and the deep sea.

Rumor has it that J. Watermelon Reddington has sold the Heppner Gazette to a couple of gentlemen from the Willamette valley who will take charge of the paper this week. Should the rumor prove true we shall be very sorry to lose the fellowship of this most genial of country editors.

The editor of the Harney County News describes the music of the coyote as a vocal solo, nervous at each end with a section of St. Vitus dance in the middle.

Fishermen on the lower river say that the run of salmon is poorer now than it has been at any similar period of the season for years.

The claim is made that the Baldwin Sheep & Land Company, of Crook county, have the largest band

of thoroughbred sheep in the world. They own 14000 thoroughbred ewes, besides a large number of bucks and young thoroughbred sheep.

Prominent statesmen are discussing the question, What does the democratic party stand for? And the Globe-Democrat submits this answer: Maybe it is because it has nowhere to lay its head.

TO DELINQUENT TAXPAYERS.

The county court has instructed the county clerk to place a warrant on the tax roll of 1900 commanding me to collect the taxes for said year by making sale, if necessary, of the property therein mentioned, and to return the roll inside of sixty days.

I am sworn to do my duty, and am also under bonds for its faithful performance; therefore have no alternative but to obey the mandate of the court, and will immediately proceed to make out a list of delinquents and advertise the property for sale.

If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly." thus writes Mrs. C. W. Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.

FOR about thirteen years I have devoted more time to politics than to business. The result is that my business has suffered. For a time, at least, I propose to devote more time to business and less to politics, provided the other fellows will let me.

During these years some features have come into practice among business men that were not considered proper or necessary at that time. Among them is the scheme of profit-sharing or giving to some lucky customers a valuable present. I propose to do something in this line myself.

For each fifty cents paid to me for goods furnished I will give the customer a numbered coupon. On each Saturday at 9 p. m. I will give away two presents—one, a year's subscription to any \$1 periodical desired, and the other, one copy of some of the famous pictures neatly framed, the customer can also make a choice of these as there are a number to

be given away before supply is exhausted. In addition, every month I will give several valuable presents. On June 5th the presents will be a fine Bible, a Webster's International Dictionary, one year's subscription to a \$4 periodical and one Boys' Baseball Set. The presents to be given away on July 6th will be announced later.

I hope to confine myself in these presents to articles in my own line so that I will not interfere with sale of goods in other lines. In addition I will give a dividend each month to the person who has purchased the most goods from me. On June 5th this will be \$5.00. You do not have to purchase fifty cents worth at one time to get a dividend check, as I issue certificates of sale for less amounts which can be exchanged for dividend check when they amount to fifty cents. If clerk does not give you checks or certificates when you make a purchase, ask for them.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 50 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing.
