canal commission will finish its discussion of the question in a few days, and then I shall be at liberty to talk.

"As the canal stands now, it would take about seven years to complete it. Most of the difficulties complained of have been done away with and it is a practical scheme. At Culebra, where there was a deal of blasting done, excavations have been made to a depth of 60 metres."

Asked as to the price demanded for the canal, Mr. Hutin said:

"I am not at liberty to give any figures until after the matter is settled. I am returning to Washington today and expect a speedy settlement."

American Desperadoes Operated Near Manila - Gang Broken Up By

Manila, May 14 .- Detectives and the police have broken up a band of American brigands who have been operating in the province of Pampanga, north of and not far from Manila. George Raymond, Ulrich Rogers and Oscar Mushmiller have been captured, and Andrew Martin, Peter Heiz, George Muehn and two others are still being pursued. This band had committed outrages, murder and rape at Bacalor, Pampanga province, and in that vicinity, and Sunday last they killed Henry Dow an American. The band sometimes represented themselves as American deserters and at other times as American soldiers. George Raymond were the uniform of a captain. Raymond was formerly a policeman in Manila.

federalists-peace and American sovereignty-is nearly accomplished, the party's future is discussed. Under the coming government to be composed of appointive officials there will be slight use for party activity outside of the municipal elections. The leaders hope the party will be considered as the semiofficial medium between the government and the masses. They are at present endeavoring to obtain the release of 1009 prisoners who were convicted of purely political offenses, the contention being that they should have the same amnesty as those who were released when awaittrials. The appearance of insular issues will quickly result in the actual formation of projected opposition parties.
