

# Workmen

You have seen hundreds of your companions waste away in mill and foundry with a persistent cough. You have seen hundreds of them die with that terrible disease, Consumption. You have seen wives left penniless, and children thrown upon the mercies of the cold world, because the father coughed his life away. The air you breathe every day is full of sharp, metallic dust, which is inhaled into the lungs and irritates their delicate lining. In the case of glass blowers, the fierce

heat of the molten glass forces its way up the tube into the lungs where it gradually breaks down their delicate structure, making every cold a danger to life. You can't afford to quit working and are daily exposed to this fatal dust and intense heat. What you and your friends need is Acker's English Remedy. This will make your throat and lungs strong again. It will heal the irritation, brace up your strength, and you need never lose a day's work. I have noticed that in some mills there are no cases of Consumption. The reason is that Acker's English Remedy is used by the men working there.

Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada; and in England at 1s. 2d., 2s. 6d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee.

## Our Exhibit at Buffalo.

The following notice of the Oregon exhibit at the Pan-American exposition at Buffalo is reprinted from the Buffalo Express, the leading morning newspaper of that city:

"Great progress is now being made on several of the exhibits of states in the agricultural building. Oregon's big booth, on the north side of the south aisle, is running a race with the Michigan booth, across the way, for the honor of being the first state exhibit to be finished in that building. Nearly everything used in connection with the Oregon exhibit, to the wood composing the booth, comes from that state. The booth is made of spruce and fir lumber. Henry E. Dosch, of Portland, Or., commissioner from that state to the exposition, has personal charge of the installation of the exhibit. One minute yesterday he was sawing a piece of wood and the next he was nailing sheaves of wheat to the boards.

"No one would think he was the boss," said one of the workmen.

"On the front wall of the booth are bunches of yellow wheat tacked to squares of blackened wood. At one corner is a gigantic bottle, about 3½ feet high and nearly a foot in diameter. It contains two big salmon caught in the Columbia river.

"Lying in the booth yesterday, awaiting its turn to be placed in a conspicuous position, was a bunch of corn-stalks 17 feet long. 'They think we can't grow corn out in Oregon,' said Mr. Dosch. 'Just look at that. And here is clover 6½ feet long. Why, in Oregon we can grow anything that grows on the face of the green earth except citrus fruits.'

"What's that kind of stuff there?" asked a bystander, pointing to a small bundle of grain.

"Spelts," said Mr. Dosch.

"What's spelts?"

"It's a kind of grain from the old country that is preferred there to wheat for the production of flour," said Mr. Dosch. "Some Oregon farmers have introduced it from Germany, and are very successful with it."

"Part of Oregon's wool exhibit is in place. It includes several varieties of goats' wool. 'I'm not bragging when I say that Oregon has the finest goats' wool in the United States,' said Mr. Dosch. 'The humidity of our climate is the cause.'"

## NOTICE TO DOG-OWNERS.

The city council having reduced the dog license to \$1 for a male and \$2 for a female, have ordered me to enforce the law and impound all dogs for which the license has not been paid. This, therefore, is to give notice that all unlicensed dogs found running at large will be impounded, and if not redeemed, will be killed.

If the people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which with no aid from the stomach, will digest your food, certainly can't help but do you good.

## Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

## Strikes A Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by G. C. Blakeley, the druggist.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick and positive cure for piles. Clarke & Falk's P. O. Pharmacy.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
