

A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Acker's English Remedy, and I thought I would try it, although I confess that down in my heart I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak also, and he cured himself with the same grand old remedy. Our boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes with croup, because here is a certain remedy that will conquer the terrible monster every time."

CASE IS LEFT UNDISPOSED OF

United States Supreme Court Adjourns Until the Second Monday in October Without Making Mention of Suit.

WASHINGTON, May 28.—After a session of three minutes today, the United States supreme court adjourned until the second Monday in October. The brief session was devoted to the formal disposition of motions. The two remaining insular cases, one of them that of the "fourteen diamond rings," dealing with importations from the Philippines, and the other known as the second Dooley case, involving the question of exportations from the United States to Porto Rico, failed to receive attention today, and they go over until the next term.

WASHINGTON, May 28.—The treasury officials discussed, with much interest today, the decisions of the supreme court yesterday in the insular cases, and the conclusion has been reached that nothing in these decisions is conclusive upon the government to change its administration of the laws as to the Philippine islands, and therefore duties will continue to be collected on imports from those islands as heretofore, and until the court shall have decided specifically that the islands are in the same situation with respect to the United States as Porto Rico.

Roberts, North Creek, Ark. Clarke & Falk's P. O. Pharmacy.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y.
The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.
With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
