An Exhibit at the State Fair.

Senator W. H. Wehrung, of Hillsboro, president of the State Board of Horticulture, and M. D. Wisdom, secretary of the same board, recently visited a number of counties in Eastern Oregon for the purpose of securing a better representation from this part of the state at the state fair to be held in Salem September 23d to 28th. While here Wednesday they conferred with Mr. Schanno and a committee of the commercial club, with the result that Mr. Schanno promised to undertake the work of collecting an exhibit, provided the necessary expenses of collecting the same and the wages of a suitable person to attend to it during the fair would be provided for, the whole involving about \$100, which would undoubtedly be more than paid back in premiums. In this connection it may not be amiss to say that the business men of Pendleton have guaranteed that \$300 would be raised in Pendleton to be placed at the disposal of the manager of the exhibit from Umattilla county.

It may also be well to add that the management of the state fair offers the following prizes for county exhibits: Best exhibit of agriculture and horticultural products from any one county in this state, variety and quality to be considered, and to be the product of 1901—first \$300; second \$250; third \$200; fourth \$150; fifth \$100.

Reflections of a Bachelor.

Be sure you're right and then let your wife go ahead.

No man ever comes to hate a woman who is not one that he might have loved.

You can't always tell what a girl's favorite con song is by the classic music she keeps scattered on the piano.

It is instinctive in the average man to try to comfort a pretty widow by making her think there are others.

Marriage makes a man either a suicide or else a philosopher. This is the reason why all the ancient philosophers were married.

If women just naturally had all they wanted to wear, and men all they wanted to eat, marriage would die out in one generation.—New York Press.

Memorial Services.

The memorial services yesterday consisted of a procession to the G. A. R. cemetery of the members of the G. A. R., W. R. C., and Company D., state militia, where the ritual services of the G. A. R. were read and followed by the decoration of the graves of the dead. There was a good attendance at the cemetery although few of the citizens joined in the procession thither. In the evening Colonial James Jackson delivered the memorial address at the Congregational church. There was a large attendance and the address was highly appreciated.

Knock-Out Drops

"I am a saloon-keeper, and used to think that rock and rye, or whiskey and quinine were proper remedies for coughs and colds. Most of my acquaintances were of the same opinion. Now I know something at least a thousand times better. It is Acker's English Remedy for Coughs and Colds. A good while ago I began to cough and found out then that rock and rye was no good. I got worse and I was beginning to think that the trouble would run into consumption. I didn't take any stock in patent medicines, but somehow or other I tried Acker's English Remedy. One bottle did the business for me—knocked that cough out completely—and it has never come back again. There is never a day passes that I don't say a good word about this wonderful medicine. I almost forgot to say that I am stronger and fresher now, since taking the remedy, than I was before the cough began. I write this letter voluntarily and cheerfully and am glad to do it." (Signed) CHAS. HUNZLE, Saloon-keeper, Pocatello, Idaho.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing.
