

From a Pastor

"I am the pastor of the Baptist Church at Port Jervis, N. Y., and sometimes am called upon to take part in evangelistic work away from home. Not long ago I went to Sandy Creek, N. Y., which is swept by the damp winds from Lake Ontario. Here I contracted a bad cough, and became so hoarse that I could hardly preach to my congregation. It was not only distressing in a bodily sense, but extremely embarrassing to enter the pulpit in this condition. I had heard of Acker's English Remedy and, after service, I bought a bottle and began taking it. The next night my throat was nearly well, and I delivered my sermon without difficulty. In a few days I was thoroughly cured. I conceive it to be my duty to benefit mankind physically as well as spiritually whenever I can, and am glad to write these words in praise of this grand old medicine. Those with sensitive throats and those who catch cold easily should certainly take Acker's English Remedy."

PERSONAL MENTION.

J. D. Whitten was in town last night from Kingsley.

Mrs. Colonel Everson, of Bandon, Coos county, formerly Mrs. Canfield, of the Duntur neighborhood, is in the city.

Mrs. Henry Mayhew, wife of the Kingsley hotel keeper, arrived here last night from her former home in the far East, bringing her mother with her on a visit for the benefit of her health.

Miss Myrtle Buffe returned to her home in Silverton Wednesday. Miss Buffe made many warm friends during her stay in The Dalles, and they will ever remember her with kindly thoughts.

The Bloomers Win.

The Bloomers win. Our team goes down before the maidens, and their effort to rise is fruitless. One of the worst defeats of the ball season. Our boys outclassed by the ladies. The home nine, after the first beginning, which turned out a whitewash, was suddenly attacked with spring fever, and it so completely overcame them that it was impossible for them to get hold of the ball. Talk about batting! Those Boston girls knocked that ball all over the diamond. The lady in the box had an eastern outcurve that the boys were unable to find. The game resulted in a score of 4 to 2 in favor of the Bloomers. The lady ball team conducted themselves as good as any theatrical company that ever visited Fairfield. They acted as ladies and were a credit to some of the so-called gentlemen that attended the game.—Fairfield Daily Journal.

Albert Tozier Chosen.

BUFFALO, N. Y., June 14.—In the National Editorial Association today the law committee precipitated a warm debate by submitting a report in favor of excluding from the mails all newspapers that give premiums. John A. Sieicher, of New York, led the opposition to the report, which was finally adopted. Albert Tozier, of Portland, Or., was elected president. The next convention will be held at Hot Springs, Ark.

"Smallpox has broken out at Carson," says the Skamania County Pioneer. "The 2-year-old baby of Wm. Hollis is down with it, and Dr. Schroeder has pronounced the disease undoubtedly smallpox. County Commissioner Ed Hollis is looking after the case and will do all he can to prevent the spread of the disease. The disease was brought up from Portland in a lady's clothes, so we understand. This is the second time the disease has been shipped into this county from Portland, and we are getting heartily tired of it. The authorities in Portland should make an attempt to stamp out the disease instead of trying to cover it up as they have been doing. If she does not try to do something to stop the spread of smallpox soon Portland will lose her trade with this section. People are not going to

run into the disease if they know it, neither is it pleasant to be quarantined from the outside world. So the best way to get along with a town that is continually shipping us the smallpox is to leave her entirely alone. Two doses within a year is giving us the disease, a little too often."

Before buying any tombstones or any cemetery work come and see Mr. Comini. Don't let any one bluff you with their slick talk. They know nothing about the business and run down the poor mechanic. They try to make you believe that their work is durable. Before you give your order let Mr. Comini take you out to the cemetery and show you what kind of work he puts up and give you his prices for similar work. Don't be in a hurry to give your order, but first give Mr. Comini a chance to figure on your work. You will find by asking any one who has had business dealings with Mr. Comini that all of his work is of first-class quality, just as he represents it to be, and that his prices for such work are very low.
