

## Asthma's Clutch

The sufferer from Asthma is constantly wheezing, gasping, hacking and clearing the throat. When a storm approaches, when there is a cloud of dust, when a room is being swept, or when there is a bad odor, breathing becomes most difficult. Often it seems as though someone was clutching the sufferer by the throat with a terrible grasp. The choking sensation is almost unbearable. The trouble sometimes lasts only a few minutes and again lingers on for many days. There is only one safe thing to do, and that is take Acker's English Remedy for Throat and Lung Troubles. Just what this medicine accomplishes is shown by the following letter from Mr. N. H. Andrews, a prominent resident of Springfield, Ohio, who writes:—

"W. H. Hooper & Co., New York:—Gentlemen.—It affords me a great pleasure to assure you that I have received both immediate and permanent relief from throat, bronchial and asthmatic troubles by using Acker's English Remedy, taken strictly according to directions. It is a blessing to humanity."  
Sold at 50c, 75c, and \$1 a bottle, throughout the United States and Canada, and in England, at 5s, 7s, 9s, and 11s. If you are not satisfied after buying, return the bottle to your druggist and get your money back.  
We authorize the above guarantee.

## SEASIDE SUMMER SCHOOL.

An Ideal Place for Teachers to Spend the Summer Months.

Several college presidents and other leading educators throughout the state have organized a seaside summer school at Newport, on the Eastern plan, combining recreation and culture for educators during the vacation season. This appeals to the public because it will be effectual in improving the schools and the teachers, who will be ultimately rewarded for their efficiency. There will be several courses of study offered cheap enough for anybody and good enough for everybody.

Accommodations the very best can be secured at surprisingly low prices. Facilities for camping are all that could be desired. A number of our teachers are arranging to take advantage of this splendid opportunity, and any others who may desire to do so may obtain all information necessary by calling on Miss Michel, who was thoroughly informed regarding the matter by Prof. J. B. Horner, who was in the city yesterday in the interest of the school, which commences July 17th, continuing until August 14th. Mr. Horner called at THE CHRONICLE office and handed us the following program for the lecture course commencing August 24 and lasting ten days:

- Physical Culture—Prof. Robert Krohn, of Portland.
- Special classes for business men, teachers, women and children.
- College of Music—Doctor Z. M. Parvin, Salem.
- Normal Course—Prof. Frank Rigler, of Portland.
- Painting and Drawing—W. E. Rollins, of Boston.
- Stenography in six weeks—Prof. Henry Sheak, of Philadelphia.

- Course in General History—President W. C. Hawley, of Willamette University, Salem.

- Bible study—Under the direction of eminent divines. Free.

Other classes have been provided for. Excursions and seaside attractions every afternoon.
