

It Has Never Failed

Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is highly thought of in his neighborhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Any sick man or woman may say can be depended on to get relief in a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy. "In all my many years' experience," says Mr. Peaslee, "I have never handled a medicine that gave such complete satisfaction as Acker's English Remedy for Throat and Lung Troubles. I have sold hundreds of bottles and have yet to learn of a single case that failed to cure. In fact, with a certain amount of rest, it is really marvellous. My wife does not believe in medicine, but she has absolute faith in Acker's English Remedy, always having it on her elbow in case the children are attacked by a cold or cough. It is a perfectly harmless remedy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely."

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

PERSONAL MENTION.

Rev. O. D. Taylor is spending a few days with his family on Mill Creek.

Attorney W. B. Presby, of Goldendale, has been in the city yesterday and today on legal business.

Hon. W. H. Biggs and wife, of Wasco, spent last night in the city and left for home on the noon train.

Fred Smith, the well-known stockman of the Upper Beaver Creek country, Crook county, spent last night in the city on his way home from Portland.

Mr. John Somerville and family will leave tonight for Brannan, Idaho, where they will make their future home and where Mr. Somerville is engaged in the stock business. The Dalles people very much regret the loss of this family, who have made many warm friends during their residence here of about two years.

BORN.

Tuesday evening, June 18th, at The Dalles Hospital, to Mr. and Mrs. James Stewart, of Moro, Sherman county, a nine-pound son. Mother and child doing well.

THE CHRONICLE extends hearty congratulations and wishes friend Jamie "many returns of the season."

Demo-Pop Financiering.

The aftermath of Judge Barton's "economic administration" in Linn county, which was heralded in floods of big type throughout the state in 1900 to bolster the demo-populist combination, is not all that the best citizens would desire, as will appear from the following article in the Albany Herald:

"What is the matter with the finances of Linn county? About the first of the year the county borrowed of the Albany banks \$23,000, it was said, for the purpose of paying state taxes. Now at the June term of county court another loan of \$44,000 is made. A year ago Judge Barton and Judge Palmer told the people that Linn county was out of debt and had sufficient revenue provided for running expenses for another year. Were they deceiving the people or has the county run behind \$67,000 in a year? It is time the taxpayers had their eyes open to the situation. There is no campaign on now, and the matter should be coolly and carefully looked into. If the truth was told a year ago, there has been a big leak in the management of the country's affairs. There has been, in any event, so much covering up of true facts, so much irregular manipulation and juggling with the people's money that the county is now \$67,000 in debt. Is it not time to call a halt?"—Plaindealer.

The announcement is made that Michael Davitt is coming to Chicago to start a new Irish national movement that is intended to take the shine out of anything that Michael has ever been connected with before. The times are exceedingly ripe for such a movement—over here—for the rank and file of the Irish at home are too prosperous to give the movement the financial encouragement needed to make it a go over there. Here everything is favorable to Michael's ambition. The Irish servant girls have money to throw at the birds, and the Irish-American laborer has a long fleece that the Irish professional agitator hasn't shorn to any appreciable extent for several years. It is perhaps a little unfortunate that the Americans are not in the throes of a national campaign; but in spite of this one untoward circumstance, there's millions in the graft—for Michael—if he knows how to work it right, and if Michael knows himself he thinks he does.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25c. Sold by G. C. Blakeley, the druggist.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by G. C. Blakeley, the druggist. Trial bottles free.

Drying preparations simply develop catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health Reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
