REPORT ON FRAUD AT SAN FRANCISCO

General Shafter Says Matter Is Of No Importance - Asserts That the Clothing Seized Represents Accumulation of Articles Sold From Time to Time by Soldiers and Recruits.

WASHINGTON, June 19.—The war department today made public two telegrams relating to the commissary frauds at San Francisco. The first is a message from General Corbin to General Shafter, asking for information on the subject, and stating that "it is desirable from every point of view that detailed facts of any importance be given the department before being exploited in the newspapers."

General Shafter's reply is as follows: "Reference to your telegram today, I have refrained from making a report regarding clothing seized by Colonel Maue, because the quantity was very small and it appeared to have come from the same man, a junk dealer who did business around the Presidio. The clothing had evidently been sold to this peddler by soldiers and recruits. The junk man and his son have been arrested by the federal authorities, and their case is being considered by the federal grand jury today. There is no shortage in any of the departments here. The seized clothing undoubtedly represents the accumulation of articles which have been sold from time to time during the past year or two by the soldiers who have passed through San Francisco.

"I do not regard this matter as of any importance, though it has been widely exploited by the sensational newspapers. However, the seizure of these articles and the arrests made will have the effect, I think, of discouraging the purchase or sale of soldiers' wearing apparel in this vicinity hereafter.

"Following is an exact list of the articles seized: Blankets, 11 pairs; leggings, 5 pairs; blue flannel shirts, 48; blouse, 1; gaiter gloves, 2 pairs; black calf shoes, 35 pairs; tan and russet shoes, 53 pairs. All these articles are now in the hands of the proper departments."

Decide to Create a Third Party.
KANSAS CITY, June 19.—After an acrimonious discussion, the leaders of seven reform parties, in session here, decided today to formally launch a third party, which will embody as many of the elements of the opposition to the old parties as possible. The meeting decided to hold a state convention in Missouri, to launch the party which will look upon W. J. Bryan as the party's leader. The Missouri convention is to adopt a platform and principles on which the cause of the party throughout the United States is to be fought. A committee of seven of each party represented were chosen to perform the duties of the executive committee.

The cardinal principles of the new party are public ownership of the public utilities, control of the utility corporations, the initiative and referendum, a graduated income tax, legal tender to be issued in proportion to population, just election laws, home rule for cities and election of senators by popular vote.

J. H. Cook, chairman of the meeting, said W. J. Bryan seemed to be the only man who embraced the larger part of the cardinal points from which the platform is to be built.

"A few months ago, food which I ate for breakfast would not remain on my stomach for half an hour. I used one bottle of your Kodol Dyspepsia Cure and can now eat my breakfast and other meals with a relish and my food is thoroughly digested. Nothing equals Kodol Dyspepsia Cure for stomach trouble." H. S. Pitts, Arlington Tex., Kodol Dyspepsia Cure digests what you eat. Clarke & Falk's P. O. Pharmacy.

All Volunteers Will Be Home Soon.
SAN FRANCISCO, June 19.—It is expected that all the volunteers, numbering 7500 men, will arrive from Manila before June 26.

The transport Aztec arrived this morning after a run of 32 days from Manila and 24 days from Nagasaki. She brought company H, of the Forty-second regiment, United States volunteers, about 140 discharged soldiers and civilian employes and five cabin passengers. There are 62 men in company H, of the Forty-second.

The Thomas, with part of the Thirty-eighth and Forty-ninth regiments, and all of the Forty-seventh, is expected next Saturday. The Ohio, with the Forty-second infantry, should get in Sunday. The Eufford, according to her captain's calculations, should get here with the Forty-first infantry on the 24th inst. The Logan, with part of the Thirty-eighth, Forty-third and Forty-fourth, and the Grant, with the Forty-eighth and part of the Forty-ninth infantry, are all scheduled to arrive on the 25th inst., while the Kirkpatrick, with part of the Thirty-eighth, Forty-third and Forty-fourth, will probably arrive the next day.

The Pennsylvania, which arrived from Manila Monday, was released by the government today. It is understood that she will make a trip to Nome.

Fire at South Bend.

SOUTH BEND, Wash., June 19.—Three store buildings were burned to the ground today, entailing a loss of about \$1000. The fire caught from sparks falling on the roof from a burning chimney. One of the stores, belonging to W. H. Crichton, of San Francisco, was vacant and uninsured. The store building occupied by Martin Miller, a contractor, but belonging to Levi Harris, was uninsured. Miller had \$100 insurance on his tools. His loss is about \$400. The third building, owned by Daniel Will, and occupied as a residence, was insured for \$300. Most of the contents of the building was saved.

A Can Factory Closed by a Trust.

LA CROSSE, Wis., June 19.—The entire working force employed at the plant of the American Can Company was discharged today and the plant closed. The tin can trust recently purchased its business and will move it to Kansas City.

Roosevelt and Mark Twain Invited.

KANSAS CITY, June 19.—Vice President Roosevelt and Mark Twain have been invited to attend and address the

celebration of the 80th anniversary of Missouri's admission to the union in this city August 10th. Mr. Roosevelt is the author of a biography of Thomas H. Benton, and will be asked to take his theme from the life of this Missouri statesman.

Steamer's Fast Trip.

PLYMOUTH, June 19.—The Hamburg-American line steamer Deutschland arrived here at 8:15 today, having broken her own record. She covered 3082 miles in 5 days, 11 hours and 51 minutes, at an average speed of 23 3/8 knots, her best previous record. Her daily runs were 449, 504, 542, 542, 549, and 460 knots, none of which equals previous best days' runs. Her best previous day's run, made in August, 1900, was 552 knots.

Captain Alberts, her commander, informed a representative of the Associated Press that he had never said his vessel would cover the distance inside of five days. No special effort to maintain high speed was made.

The weather on the whole was favorable to a fast passage. On the first day out a light southeast wind was blowing and the sea was smooth. During the second day a strong westerly wind blew. The third day the sea was very rough. For the rest of the passage fresh winds and moderate seas prevailed.

The passengers seemed ignorant of any attempt at record-breaking.

Matter of Party Policy.

NEW YORK, June 19.—Henry D. Clayton, of Alabama, one of the democratic leaders of the house, and a member of the democratic national committee, is quoted in a Washington special to the Tribune as follows concerning the general movement in the South for the disfranchisement of the negro:

"We of the South are not afraid to grapple with this negro question as it should be grappled with. Democratic supremacy has been maintained in the South in spite of negro suffrage, and that supremacy will be all the more secure when the blacks are wholly disfranchised as are witness is Mississippi, Louisiana and South Carolina. As to the reduction of our representation in congress and the electoral college because of negro disfranchisement, I regard that as political bluster pure and simple."
