"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup.

Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Ramedy. After I did hear of it, I got a bottle. When our little eighteen - months - old girl was atricken with croup, I gave her these medicine, and inside of twenty minutes she vomited and was better vie it away. During the winter she had croup four times, and it brought her through each time all right 1, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely, Before I close, I want to tell you

My husband went over to his house and told him about my Then his mother went to town, got a 30-cent bottle of Acker's English CUSE Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker " (Signed) MRS. JOHN YEAGER, Rochester, Pa.

friend that he had never been above he had no idea that there was so much to be seen on the upper Columbia.

The run of the Gatzert was an astonishing one to those who know something about river schedules. She left The Dalles half an hour behind her schedule, 4 o'clock, and the way she tore through the Niagara torrents near the locks was nothing short of startling. It was a little after 7 o'clock when the steamer bore away from the locks, and at 10:20, by the union passenger station cinck, the steel bridge swung for the excursionists. Her passengers were home half an hour before the promised time the veteran purser, Dan O'Neil, said it fully guaranteed to last. Drying preparations simply develop dry catarrh ; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will oure catarrh or cold in the head easily and pleasantly.
