

Acker's Saved Her Life

“About two miles from Vassar, Mich., where I keep a drug store, lives Mrs. T. M. Galt. She was very sick and hopeless with consumption. I watched her case with interest after she began taking Acker's English Remedy for Consumption because of the marvelous results it has produced in my cases. Well, sir, perhaps you will doubt it, but with my own eyes I saw this woman get well and strong on that remedy. In a very short time the cough stopped, her lungs were healed up, the soreness went away and she began taking on flesh. She herself said 'Mr. Bullard, I owe my life to Acker's English Remedy. It is a certain cure.' In Mrs. Galt's neighborhood her recovery has occasioned much comment, as you can easily understand. Her case was one where everybody thought it was only a question of a little while until she would die. I feel it a duty as a druggist to write this letter, so that they need not be more deaths from consumption.”

(Signed) E. A. BELLARD, Vassar, Mich.

Accidentally Hanged.

Albuquerque, N. M., June 30.—Farrington, of the recent death of Professor Francis J. Birtwell, the ornithologist, are brought by the undertaker who has just returned with the body. The professor died from strangulation, the result of accidental hanging. He had climbed a large tree for a bird's nest and was descending on a rope when in some manner the rope wound around his neck and before the eyes of his young wife and several men, he strangled to death, they being powerless to aid him. Mr. and Mrs. Birtwell were married here about a month ago and were spending their honeymoon on the Rio Pecos forest reserve in Mexico. Professor Birtwell was a Harvard graduate.

Rate War Ahead.

ARIZONA, June 29.—Captain E. P. Parker, of the steamer Astorian, stated this morning that he would shortly place his steamer on the run to Portland in opposition to the field. The steamer's boilers are now being covered, and as soon as the work is finished the boat will go into service. Asked whether or not he would cut fares and freight rates, Captain Parker replied that he would, as he could not hope to capture business in any other manner. While the reduction to be made in fares will not be very great, freight rates will be lowered 40 per cent. The present rates are \$2.50 a ton, and the Astorian will do business for \$1.50.

Record Broken at Chicago.

CHICAGO, June 30.—The heat in Chicago today broke all records from June since 1872. For three hours this afternoon the government thermometer registered 97, in many places on the street it was 104 and 106. At 11 o'clock tonight the mercury was soaring around 99. No fatalities were reported, but several of those who were prostrated are in a serious condition. Forecaster Cox says it will be still hotter tomorrow.
