An esteemed exchange asks the following: "What's the matter with having the editor of the Oregonian as the candidate of the republicans for president, and the editor of the Capital Journal for governor on any kind of ticket? They are both reformers, and reform is what the people are wanting."

When President McKinley was inaugurated the United States was paying \$34,000,000 a year interest on the public debt. Two wars have since been fought and the public debt increased \$150,000,000, but the annual interest charge now is only \$29,000,000. The finances of the United States have been splendidly managed under President McKinley.

Oregon has done well by Congressman Tongue, but her laurels have not been worn gracefully by her son. Mr. Tongue has missed one of his greatest opportunities. He has been weighed and found wanting. It would seem that his personal ambitions have outweighed service to his state. He advocated that the trip to The Dalles and Celilo be cut out. Mr. Tongue plainly does not represent the interests of all Oregon.—Oregon Republican.

Two bridal couples had an interesting lunch at the Pan-American exposition the other day, according to a Buffalo paper. The parties were the state treasurer of Florida and another official from that state, with brides. The Florida commissioners gave the lunch in the pavilion of that state. In order to add impressment to the occasion, New York and California contributed wine to the feast, which was spread for several expositon people; Rhode Island gave clams, Missouri apples, Oregon a section of a big baked salmon. The music was supplied by a Tampa mocking bird.

The new city administration starts out well. No more harmonious council meeting than that of last night was ever held anywhere. True, three members of the council were absent, but their absence was hardly missed as there was a good working majority without them. The appointments of the mayor for marshal and recorder were conformed with a heartiness and unanimity that was flattering to the mayor and augurs well for future harmonious action. The appointments themselves are excellent, and while no appointments could be made that would please everybody those of Charley Champin for marshal and J. Doherty for recorder will come as near giving general satisfaction as any that were in the power of the mayor to name.

A bad complexion generally results from inactive liver and bowels. In all such cases, DeWitt's Little Early Risers produce gratifying results. Clarke & Falk's P. O. Pharmacy.

**NOLAN'S Profit-Sharing Association.**

The first monthly dividend has been distributed to the profitable satisfaction of thirteen of my customers. The only regret is that I was not able to give a valuable present to each of my customers. I think they all deserve one.

On Saturday, July 6th, I will give away two music boxes—one worth \$27.50, playing eight tunes, and one worth \$7.50; a sack of sugar and a barrel of flour. I will give a cash rebate of \$3.00 to customer paying the most money by that date, and \$2.00 to the one paying in the second largest amount. On each Saturday, commencing on the 15th of June and including July 6th, I will, in addition to the two presents given each week, give a \$1.00 rebate to the customer paying the largest amount during the week.

Purchasers of goods in my line will do well to keep in mind that I sell goods as low as the lowest, as well as share the profit with my customers.
