WAS PROMINENT IN POLITICS

Dr. J. W. Watts, of LaFayette Has Passed Away—Was Presidential Elector During Contest of 1876.

LA FAYETTE, Or., July 6.—Dr. J. W. Watts of LaFayette, Oregon, passed away at his home in that city, yesterday, after an illness of only a few days. Rev. W. C. Kantner D. D., pastor of the First Congregational church of Salem, was telephoned to come to LaFayette tomorrow (Monday) and conduct the funeral, which occurs at 2 p. m.

Dr. Watts was for many years a prominent figure in the politics of Oregon, being a life-long republican. In 1876 he was one of three candidates for presidential elector, and was elected at the polls. He took a great interest in the welfare and material prosperity of the state, and was one of the most enterprising citizens of Oregon. He was a great worker in the field of temperance, having been especially prominent in the "Blue Ribbon" movement. Chas. W. Watts, the Albany newspaper man who died in Dawson City over a year ago, was a son of Dr. Watts.

Dr. Watts was the central figure during the exciting days following the presidential election of 1876. He was postmaster at LaFayette at the time, and the democrats held that he was not entitled to a certificate of election, though receiving a majority of all the votes cast, for the reason that he could not, under the Constitution, hold two lucrative positions—postmaster and elector. Governor L. F. Grover issued a certificate of election to T. J. Cronin, the democratic candidate receiving the highest vote instead of Dr. Watts, but he was later compelled to also issue a certificate to Dr. Watts. At that time Oregon had but three electors, and the other two, of whom Gen. W. H. Odell was one, met, and as there was a question as to Dr. Watts' election, thus creating a vacancy, (they did not recognize Cronin's certificate) the two electors proceeded to fill the vacancy by electing Dr. Watts. The electors then organized, cast Oregon's vote for the republican candidates, and sent General Odell to Washington to deliver the vote of Oregon to the United States senate. This action on the part of the Oregon electors caused considerable excitement throughout the country, as one vote in the electoral college decided the election and the counting of Dr. Watts' vote resulted in the election of R. B. Hayes as president of the United States, by 185 votes. Samuel J. Tilden, the democratic nominee receiving 184. Dr. Watts will long be remembered as casting the deciding vote in that memorable contest.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.

With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Organizing Servant Girls.

CHICAGO, July 6.—The Record-Herald says: "Mother Jones, who did so much to encourage the coal miners in their strike in Pennsylvania a year ago, holding meetings and addressing them wherever a few could be got together, and who since has assisted the striking silk workers in New Jersey and the carpet-weavers in Philadelphia to stand for their demands, has been in Chicago the past week, assisting the committee of the Women's Trade Union Label League to organize the servant girls. As a result of the work done by the committee, with the aid of Mother Jones, several hundred servant girls have signified their intention of becoming charter members of the first Servant Girls Union of Chicago, to be formed on Thursday next."

Baltimore's Record of Deaths.

BALTIMORE, July 6.—The number of deaths in this city for the week ending today is 458, the highest which the health department ever recorded. Of these, 236 were children under 5 years old. At least 50 per cent of the mortality is said to be due either directly or indirectly to the intense heat. The hot spell was at least temporarily ended this afternoon by a thunder storm which sent the mercury down from 96 to 69 in less than an hour.

Privateering Threatened.

BRUSSELS, July 6.—The Petit Bleu says that Mr. Kruger has lately refused to entertain proposals to arm privateers, but that the promoters are again urging the ex-president of the South African Republic to notify the powers that unless they intervene he will issue letters

of marque. In the event of Kruger's continued refusal, the promoters propose to act without authorization.
