SCHOOL TEXT-BOOKS CHOSEN

Oregon Commission Selects Ninety-Eight Per Cent.

SALEM, Or., July 9.—Ninety-eight per cent. of the common school text-book business of the state was awarded by the Text-Book Commission today. Ginn & Co. got 73 per cent., Maynard, Merrill & Co., 17 per cent.; Heath & Co., 6 per cent.; Christopher, Saurer & Co., 2 per cent. The American Book Company, which has heretofore had the bulk of the business, has thus far been given nothing.

In making the awards the board voted as a unit, the selections having been agreed upon beforehand. Each book therefore received five votes, except in the selection of a primary history, when H. W. Scott voted independently of the other four. So far as appears, complete harmony prevailed, all differences of opinion having been settled at private conferences.

The books adopted are here shown in series, the prices being for a set of the series. Present prices, for comparison, will be found elsewhere. Introductory prices are the same as retail in all cases. Cry's readers, five books, Ginn & Co.; exchange, \$1.03; retail, \$2.05.

Reed & Kellogg's grammar, three books, Maynard, Merrill & Co.; exchange, 68 cents, retail, \$1.35.

Wentworth's arithmetic, two books, Ginn & Co.; exchange, 36 cents, retail, 70 cents.

Speller, Reed's Word Lessons, one book, Maynard, Merrill & Co.; exchange 10 cents, retail 22 cents.

Frye's geography, Ginn & Co.; exchange, 90 cents, retail, \$1.80.

Wheeler's primer, W. H. Wheeler & Co., exchange, 15 cents; retail, 30 cents.

Brooks' mental arithmetic, Christopher, Saurer & Co., two now in use, retail 30 cents.

Newland & Row's vertical writing, eight books, Heath & Co.; 6 cents straight.

Thomas' primary history, Heath & Co.; exchange, 30 cents, retail, 60 cents.

Mr. Scott voted for McMaster's history. Thomas' United States history, grammar grade, Heath & Co.; exchange, 50 cents, retail \$1.

After the vote had been taken President W. H. Scott stated to the book men that the members of the board had been studying the merits of text books for about four months, that they had held a conference, compared notes and investigated prices and that the selections made were the result of that conference.

Physiology, civil government, music and drawing are yet to be passed upon in the common branches, but they represent but a small percentage of the text book business. All the high school branches also remain.

Tourists Boiled in Yellowstone Geysers.

HELENA, Mont., July 9.—W. W. Wylie who has just returned from Mammoth Hot Springs in Yellowstone Park brings the report that two women, who are believed to be Mrs. Zarbriskie and daughter of Brooklyn, met with a shocking accident while inspecting the boiling mud "Paint Pots" at the Thumb on Yellowstone Lake Saturday afternoon. The women who entered the park by the Monida route, fell into the natural cold-dron, where the boiling mud was waist deep, and could be rescued only with great difficulty. They were taken to the Lake Hotel, where a physician said their injuries might prove fatal.

The Fourth at the Pole.

POLARIA, July 4.—(Wireless special)—This has been an exciting day. The Polarians caught the true American patriotic spirit, and as a result there is hardly a family that has not one or more disabled members. It is impossible to give a complete list of the killed and injured, though I note a few of the dearest:

Juk Wulluk, son of Buk Wulluk; toy pistol; left eye gone, will recover.

Dak Maklak, fisherman; picked up a slow burning cannon cracker; both arms and head blown off; condition serious.

Mik Niknak, alderman; hit in eye with rocket; will lose it.

Julluk Melian, fisherman; held a cannon cracker between his teeth; head and upper part of body blown off; may die.

In addition, more than half the houses were set afire, and the property loss is something enormous—for Polaria.

In spite of all this, the polarians are sickled to death with the Fourth of July ideas, and promise to have a bigger blow-out next year.

They are a very simple people.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley the druggist.

Has Eighty Millions More.

NEW YORK, July 9.—The evening Journal has a dispatch which reads: A number of Americans have recently visited Skibo Castle, guests of Carnegie. With these the retired ironmaster discussed freely his great public gifts and his plans for future benefits. One New York merchant reported Carnegie to have said he still has about eighty millions to give away for public use. This enormous sum is over and above settlements deemed necessary for the use and comfort during the life of his child.

Challenger Wins Easily.

ROTHESAY, July 9.—In the first five miles of the racing trial between the Shamrocke, both yachts apparently sailing for all they were worth, the challenger beat the Shamrocke I a half mile. The boats started to windward, with a

steadily, gradually strengthening breeze,

about sufficient to cover the American cup course. The challenger had just come out of dock, where her hull was cleaned, and she showed immensely improved form, outstriking the Shamrocke I on every tack. She led the latter by half a mile off Little Cumbræ, five miles from the start.

Catarrh Cannot Be Cured.

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

F. J. CHENEY & Co., Props., Toledo O. Sold by druggists, price 75c. Hall's Family Pills are the best. 12

Evans May Succeed Dawes.

NEW YORK, July 9.—According to a dispatch to the World there is a general feeling in official circles at Washington that the resignation of Controller Dawes has presented a solution of the controversy regarding the continuance of Commissioner Evans at the head of the pension bureau. An impression prevails, the dispatch says, that the president has already determined to appoint Mr. Evans to be controller of the currency. This would be in the nature of a promotion, for the salary is more and the term of office longer.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by G. C. Blakeley, the druggist. Price 50 cents. 2

Drying preparations simply develop

dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
