

DEMOCRATIC HOROSCOPE.

The Baker City Republican has cast the horoscope of the democratic party with the following result: The next national democratic convention will dodge silver, will oppose the administration's "colonial" policy, will hedge and straddle on everything, and try to sneak into power.

Needless to say the party will not succeed. The candidates in the last two campaigns will lead a bolt, and insist upon the Chicago and Kansas City platforms. The radical democrats will all be populists and nothing else, and they will be strong enough to defeat the regular organization. This is the plan that the radicals have in mind, though they have not explicitly formulated it.

To offset this the reorganizers will put a Southern man on their ticket, to hold the solid South in line, but it is thought that the radicals, even in the South, will be strong enough in their defection to defeat the regulars.

The perpetual editor-candidate and his followers are determined to destroy the democratic party if they cannot dictate its policy. They are strong enough to do it. The editor-candidate will be a candidate again, in 1904, if he lives, but not on the regular democratic ticket.

The regular democrats want none of him and he will, before long, declare he wants none of them. The situation is now being shaped up to this end. The democratic politicians are preparing to turn down the fanatics, and the fanatics are preparing to defeat the politicians. Both will succeed in their design.

Only after 1904 will there be any possible chance for a harmonious re-arrangement of the forces that were once the democratic party.

The Weston Leader says: "Again the Geer and Plummer incident is being agitated, and its latest phase is touched upon in a Portland dispatch to the East Oregonian. It is said that Senator Simon returned the damaging \$1000 note to the govern or, after keeping it locked for several months in his safe, when the latter had vetoed the Portland charter bill. While Mr. Geer has filled the executive chair with credit, this transaction will always be a menacing skeleton in his political closet, blighting his further prospects and ambitions, unless a complete statement of the case removes the suspicion that now obtains in the public mind."

The vast empire east of the Cascades would not object to have both parties select their gubernatorial timber from its locality, says the Canyon City Eagle. In that event Eastern Oregon would have a representative in the state's executive chair, matters not what the result of the election would be. The candidacy of any Eastern Oregon man in the past has not been seriously considered, yet there is no reason why each of the leading parties should not recognize the section east of the Cascades oftener than they do.

The New York World, to whom trusts are as cold poison, says the South "is willing to stand the horns of the trust if it can do some of the milking," and a San Antonio, Texas, paper answers: "Well, it is not this better than standing the horns of the trusts anyhow and being milked all the while instead of doing some of the milking?"

Question Answered. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

NOTICE TO THE PEOPLE. Which Will be For Their Own Benefit if Heeded.

Before buying any tombstones or any cemetery work come and see Mr. Comini. Don't let any one bluff you with their slick talk. They know nothing about the business and run down the poor mechanic. They try to make you believe that their work is durable. Before you give your order let Mr. Comini take you out to the cemetery and show you what kind of work he puts up and give you his prices for similar work. Don't be in a hurry to give your order, but first give Mr. Comini a chance to figure on your work. You will find by asking any one who has had business dealings with Mr. Comini that all of his work is of first-class quality, just as he represents it to be, and that his prices for such work are very low.

NOLAN'S Profit-Sharing Association still goes on. Weekly presents continue as last month, but before announcing presents to be given away August 3rd I desire to correct an error. The impression prevails that because I do not keep a poor brute standing at my door 16 hours a day to do 2 or 3 hours work that I do not deliver goods. The fact is I deliver goods in my line to more people every day than all other dealers in the same line combined, and any person who feels inclined to secure some of the bargains I offer can rest assured that the order will be attended to carefully and promptly delivered by some one of the numerous expressmen who pay a license for delivering goods in the city and deserve to be patronized. M. T. NOLAN.
