

Bled Quarts at a Time

"I am a knife maker and worked for a number of years in the New York Knife Co.'s factory at Walden, N. Y. First thing I knew I commenced to bleed from the mouth. Sometimes as much as a quart of blood would come up from my lungs at a time. Every time I coughed the blood spurted out. It was in the fall I got so bad, and the church people told me I had better make my peace with the Lord and prepare to die, for I would not live till spring. My home doctor could do me no good, but advised me to get to New York City for examination. They finally took me to a medical college, and a whole lot of physicians made what they called a diagnosis. There were several students looking on. One professor had a little ivory hammer, and with this he pounded my chest and held his ear close to listen. After a while the professor looked at me solemnly and declared, 'One of your lungs is about gone and the other is affected. There may be a slim chance for life if you quit working in that knife factory.' I went back home, but didn't improve. One day I saw an advertisement of free samples of Acker's English Remedy for Consumption, being given away by our home druggist, Walker & Eaton. I got one of these bottles, and it relieved me. Then I bought more of the regular size, and my improvement was continuous, although slow. My doctors were astonished and so was I. After dark I hated to spit, because I was afraid it might be blood, and I wanted to know for sure. I have no fear now, for at last I am a solid man again. Although one lung is gone, the other is as good as a dollar, and answers as well as two lungs, so far as I can see. I want everyone to know the facts and that is why I tell them here." (Signed) A. H. Simpson.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. See and send a bottle in United States and Canada. In England, send 2s. 6d. and 4s. 6d. as usual. In Canada, 50c. and 1.00. Write to H. BOGNER & Co., Proprietors, New York.

PERSONAL MENTION.

Dr. Ray Logan, of Moro, arrived here today on the noon train from Portland.

Ex Mayor E. B. Dufur went to Portland this morning on business expecting to return in a day or two when he and Mrs. Dufur will visit with friends in Duane near the close of the month, when they will move to Gold Hill and make their future home there.

Mr. Gifford, the photographer, arrived here from Portland yesterday and, we are pleased to state, came back to stay. At one time Mr. Gifford contemplated making Portland his headquarters, but he has changed his mind, having concluded that The Dalles is good enough for him.

The Pythian Fraud

CHICAGO, July 10.—The Supreme Lodge of the Knights of Pythias, now in session in Chicago investigating the affairs of the endowment rank of that order, late tonight accepted the resignation of John H. Hinsey, ex-president of the endowment rank, as a member of the board of control. Following this the Supreme Lodge adopted a resolution which instructed the supreme chancellor and the board of control to prosecute criminally and civilly all persons liable for offenses committed against the endowment rank. This resolution passed by a unanimous vote, as did another which instructed the chancellor commander and board of control to proceed with a view toward expulsion of members of the order in their respective lodges who might be found guilty of violating their obligations in the handling of funds. After a adjournment of tonight's session, it is said that if criminal prosecutions are instituted, which now seems to be most certain, a number of men who were formerly connected with the endowment rank and whom the Supreme Lodge members considered responsible for the present financial condition, will be involved.

Mr. Hinsey made good his promise to appear before the Supreme Council in his own defense. It is said that his explanations regarding the investments of funds, made while he was at the head of the rank, were far from satisfactory to the Supreme Lodge representatives. Mr. Hinsey is a member of the Inter-Duane Lodge, of this city, and it is probable the supreme officers will prefer their charges against him in that lodge.

As how to replenish the funds, the Supreme Lodge has not yet decided. There is a proposition before it to increase materially the monthly payments on insurance policies. It seemed to be the opinion of the representatives that this would be adopted.
