

HOW CHARLES W. BABCOCK

Proprietor Lyceum Shell Oyster Parlor, of Rochester, N. Y.
Obtained \$2,000 Life Insurance Policy.

"My business as proprietor of the Lyceum Shell Oyster Parlor, 245 Main street, Rochester, N. Y., writes Mr. Charles W. Babcock, "was so confining that my lungs became affected. My doctor told me I'd have to leave the store and go to work at something outdoors. He said my lungs were in bad shape and I knew it just as well as he did. The trouble had been growing on me for a long time. Like most other people I tried to make myself believe the trouble was not in the lungs. I called it stomach trouble, nervous disorder, but I kept coughing, spitting and wasting away right away. Lost in weight, falling from 145 to 112 pounds. Somehow or other, I got hold of Acker's English Remedy for 'Throat and Lung' troubles, and after taking it according to directions, I was as well as any man in New York State. I was healthier and stronger than before. I took the cold which came so near killing me. I now weigh 150 pounds—ten pounds more than when. After recovering, I applied for a life insurance policy. When the doctor began examining me, I was afraid he would discover that my lungs had once been affected, but he didn't. I passed all right, and was pronounced in a first-class condition. If that isn't proof of the most positive and that Acker's English Remedy is a great medicine, I don't know what you call proof. I give it my warmest endorsement. My address is given above. Anyone who wishes may write me personally about my case."

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 2s., 4s., 6s., 10s., 15s., 20s., 30s., 45s., 60s. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.
