

# Very Unusual

It is very unusual for a regular physician of good reputation to publicly endorse a proprietary remedy. We have often heard of cases where doctors have secured prescriptions for Acker's English Remedy, but it is most gratifying to receive the following voluntary letter from C. F. Smith, M. D., the most successful physician in Oregon, N. Y.

"Messrs. W. H. Hooker & Co., New York City: I wish to add my professional testimony to the value of your English preparation known as Acker's English Remedy for Asthma, etc. In several instances after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving, but permanently curing every one of the patients. I endorse the preparation as one of the most valuable additions to the practice of medicine.

Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to avail themselves of. I recommendations like this which make it possible to give the broad guarantee that is a part of every sale of Acker's English Remedy for Coughs, Colds, Asthma, Bronchitis and Consumption. It must either do all that is claimed for it, or your money will be refunded. Do you know of any other medicine sold on those terms? Do you know of any other medicines which prominent doctors regularly prescribe in their own practice as being better than prescriptions they write themselves? These facts are well worth considering. They are of especial interest to those with sore throats and weak lungs.

Sold at 50c per bottle, through the United States and Canada; and in England, at 1s. 6d. per bottle. If you are not satisfied after buying, return the bottle to your druggist and get your money back.

Prepared by the above-named, W. H. HOOKER & CO., Proprietors, New York.

For sale at Blakeley's Pharmacy.

## Turned Down by Bryan.

CLEVELAND, O., July 21.—By a letter to G. A. Groot, prominent in the "Bryanite" party in Ohio, W. J. Bryan has thrown cold water on the entire movement. In no uncertain language, he informs the bolters that they can expect no sympathy from him. While not passed upon with the reputation of the Kansas City platform by Ohio democrats, Mr. Bryan emphatically sets his seal of disapproval upon any move calculated to do possible harm to the democratic ticket as nominated. The letter of Mr. Bryan came as an answer to one to him by Mr. Groot.

## Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Why not spend the vacation at Yaquina bay, where can be had excellent fare, good fishing, good boating, safe bathing, alluring rides and rambles. The courses and exercises at the summer school of 1901 at Newport will afford great variety of instructions, diversion and entertainment. No other resort offers equal attractions and like advantages. jun11-tf
