OPPRESSIVE HEAT IN VARIOUS CITIES

Many Deaths and a Large Number of Prostrations Reported.

Heat Broken at Chicago.
CHICAGO, July 22.—The terrible heat, which reached its record-breaking climax at 103 degs. yesterday, was broken at dawn this morning by a fresh lake breeze. The night was sultry, there being scarcely a breath of air, and hundreds of people in the crowded districts slept out of doors, or sat up until the wind made sleeping possible. At 10 o'clock today the temperature was 75, and four deaths from the heat has been reported.

Three Deaths at New York.
NEW YORK, July 22.—Three deaths from heat were reported here this morning. At 10 o'clock the weather bureau thermometer registered 80 deg. The humidity at the same hour was 76.

Hot Day at Indianapolis.
INDIANAPOLIS, Ind., July 22.—This was the hottest day ever experienced in Indiana. At 11 o'clock the official temperature reached 105 deg.

Records Broken at St. Louis.
ST. LOUIS, July 22.—Acting Forecaster E. E. Spencer, of the local weather bureau, declares this is the hottest day in the history of St. Louis. Shortly after 1 p. m. the thermometer on the government building recorded 107, the highest record attained yesterday at 6:30 o'clock. During the past 24 hours there have been five deaths from the heat and more fatalities may result from the large number of prostrations reported.

Night Unbearable at Topeka.
TOPEKA, Kan., July 22.—Sunday scored as the hottest day of the season and was followed by a night that was almost unbearable. The Sunday maximum was 104 and the minimum during the night 79. The mercury stood at 104 at noon, with no evidence of rain in sight. There is more dampness in the air than usual, and it makes the heat more oppressive. The water supply for the city is yet plentiful.

Hottest Ever Known.
EVANSVILLE, Ind., July 22.—This was the hottest day ever experienced here. At noon the government weather bureau thermometer registered 107. There have been four prostrations.

103 Degrees at Louisville.
LOUISVILLE, Ky., July 22.—The government thermometer at noon today registered 103. Three prostrations were reported.

Hottest of Year at Columbus.
COLUMBUS, Ohio, July 22.—This was the hottest day of the year, the thermometer at the government weather bureau registering 102 at 12:30 o'clock, on the streets it was several degrees higher.

Does it Pay to Buy Cheap?
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Busche's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try ONE bottle. R-Comme ded many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

"I wish to truthfully state to you and the readers of these few lines that your Kodol Dyspepsia Cure is without question, the best and only cure for dyspepsia that I have ever come in contact with and I have used many other preparations. John Beam, West Middlesex, Pa. No preparation equals Kodol Dyspepsia Cure as it contains all the natural digestants. It will digest all kinds of food and can't help but do you good. Clark & Falk are never closed Sunday. Don't forget this.

Queer Money in Circulation.

WASHINGTON, July 22.—Chief Wilkie, of the secret service, has received a number of bank notes printed from the original plates used by the state bank of New Brunswick, N. J., over 50 years ago. The bank went out of existence some time in the 50s and it was supposed that the steel plates from which its notes were printed were destroyed. It seems, however, that these plates have fallen into the hands of parties who have printed from them large quantities of notes which have been put into circulation from New York to San Francisco. A very large percentage of the notes so far discovered are two, although some ones and fives are being sent in.

Inasmuch as the notes are not counterfeits of any United States notes or obligation, the makers and passers cannot be prosecuted under the United States laws, but it is said they can be punished for fraud under the state laws. It appears that the notes readily passed along the Canadian frontier as the takers think they are notes of the Canadian Province of New Brunswick, the words "New Jersey" being printed in small letters. The notes are printed on bond paper and are quite as good in every way as the originals. It is said that possibly \$2,000,000 of these notes are in circulation.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 11-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.

Don't Let Them Suffer.

Often children are tortured with itching and burning eczema and other skin diseases but Bucklen's Arnica Salve heals the raw sores, expels inflammation, leaves the skin without a scar. Clean, fragrant, cheap, there's no salve on earth as good. Try it. Cure guaranteed. Only 25c at G. C. Blakeley's drug store. 4

Probably Fatally Shot.

SANTA PAULA, Cal., July 22.—Mayor Hugh O'Hara of this place was shot and probably fatally wounded Sunday by

Charles Waxsmith, an employe of the Union Oil Well Supply Company. Since the shooting the town has been in a state of turmoil and for a time there was prospect of a lynching. There was a meeting of 300 angry citizens and the greatest excitement prevailed. The crime was vigorously denounced and measures were taken to rid the town of objectionable characters.

The shooting was the result of the mayor's effort to preserve order among persons who insisted on fighting on the Street. Four machinists, Charles Waxsmith, George Gregg, H. W. Worly and John Bottoms are under arrest. The mayor ordered the four men arrested for fighting with a Mexican, before they were apprehended Waxsmith secured a pistol and deliberately shot the mayor who was sitting in front of his own house.

Thousands Sent Into Exile.
Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. Don't be an exile when Dr. King's New Discovery for Consumption will cure you at home. It's the most infallible medicine for Coughs, Colds, and all Throat and Lung diseases on earth. The first dose brings relief. Astounding cures result from persistent use. Trial bottles free at G. C. Blakeley's drug store. Price 50c and \$1.00. Every bottle guaranteed. 4

Homeless Wait.
ALBANY, July 22.—Early Saturday morning a small baby was found wrapped in an old blanket, lying on the porch of an unoccupied house in East Albany. It had been born only a few hours. The child has been taken to the Orphan's Home. The circumstances surrounding the case are very mysterious, but the police claim to have a slight clue to the criminals who left it there.

Food Changed to Poison.
Putrefying food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at G. C. Blakeley's drug store. 4
