Question Answered.

Two Angour Flowers still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's. 1

Why not spend the vacation at Yaquina bay, where can be had excellent fare, good fishing, good boating, safe bathing, alluring rides and rambles. The courses and exercises at the summer school of 1901 at Newport will afford great variety of instructions, diversion and entertainment. No other resort offers equal attractions and like advantages. jun11-tf

No Record in Sight.

KANSAS CITY, July 31.—At 10 o'clock this morning the weather bureau reported a temperature of 87.5 degrees, which was equal to that of yesterday. The only report of rain or lower temperature in the northwest coming for lack of moisture from the overnight rains, where a quarter of an inch of rain fell. The indications are that yesterday's record-breaking heat in Missouri, Kansas and the Territories will be equaled, if not exceeded.

In Kansas City, Mo., and Kansas City, Kan., the mercury rose to 107 in the shade this morning, there are over 15 prostrations, of which 3 resulted fatally.

All through this section of the western states temperatures registered 100. Not a drop of rain is reported from any point in the northwest today, and there is no immediate prospect of any.

Deadly Kerosene Gas.

PITTSBURG, Pa., July 31.—A fire in a Pesbar street grocery resulted in the death this morning of the wife of a laborer and the serious illness of her husband and two children.

The dead:

MRS. ANGELA BAUER, aged 30 years, mother of the children.

VIOLA BAUER, aged 4 years.

ANTHONY BAUER, aged 7 years.

WILLIAM BAUER, aged 9.

FRANCIS BAUER, husband and father of the above, was badly injured.

Mrs. Bauer was preparing breakfast, poured oil in the stove and the flame from the stove ignited the oil in the can, causing an explosion. The burning oil was scattered over the room, setting fire to the clothes of Mrs. Bauer and the children.
