AUGUST BUCHLER, Prop.

Of the product of this well-known brewery the United States Health Reports for June 25, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. It is not only recommended by the physicians with the certainty that a better, purer, or more wholesome beverage could not possibly be found."
