NEW RECORD ESTABLISHED

Cresceus Lowers World's Record at Cleveland—Trotted Mile in 2:02 3/4

CLEVELAND, July 26.—Amid the enthusiastic cheers of nearly 10,000 people, Cresceus, the world's champion trotting stallion, again demonstrated that he is the peer of all trotters by trotting a mile this afternoon over the Glenville track in 2:02 3/4. This establishes a new world's trotting record for both sexes, replacing the former world's record of 2:03 1/4, held by The Abbot. Owing to the heavy rains of last night, the track was not in the best condition today, and it was about 6:30 p. m. before the track was deemed to be in sufficiently good shape to warrant making the attempt. At that time, the sun's heat had been replaced by cool breezes. Even then there were few horsemen who looked for a mile better than 2:05. After having been given several preliminary miles, George Ketchum came out with the stallion to attempt what seemed an impossible feat. Ketchum nodded for the word at the third score, the horse trotting like a machine. Accompanied by a runner, the chestnut stallion fairly flew to the quarter, the timers' watches registered just 30 seconds. As Cresceus swung into the back stretch, he was joined by a second runner, and although many predicted that the footing was such as would retard his speed, he reached the half in 1:01. As the time was hung out, the immense crowd broke into cheers. The three-quarter pole was reached in 1:31 3/4, and as the great stallion trotted into the stretch, a runner on either side, his frictionless, machine-like stride was fairly eating up the distance. Never once faltering, notwithstanding the terrific clip, he fairly flew to the wire, not being touched once by the whip, his sole urging being the driver's voice, and the thundering hoof-beats of the accompanying runners.

Body of Early King Reinterred.
LONDON, July 26.—The body of King Edmund the Martyr, the last king of the East Angles, who reigned from 855 to 870, has been returned to England, after a sojourn in France of more than 700 years. The body reached Arundel in charge of Mgr. Del Val, Archbishop of Nicca, Asia Minor, and was placed in the private chapel of the Duke of Norfolk, pending final interment in the shrine being prepared for its reception in the new catholic cathedral in Westminster. The body, after burial at Hoxne, was reinterred at Bury St. Edmunds, from which place it was carried off to France by Louis VIII. Through the good offices and personal intervention of the pope the relics are now returned to England.

The Title of King Edward.
LONDON, July 26.—Lord Salisbury today announced that King Edward's title will probably be as follows: "King Edward Seventh, by Grace of God, of the United Kingdom, Great Britain, Beyond the Seas, King, Defender of the Faith and Emperor of India."

Trade Review.
NEW YORK, July 26.—Dun's Review of Trade tomorrow will say: The failures for the week numbered 198 in the United States against 231 last year, and twenty-eight in Canada against twenty-eight last year.

Sunday Closing Cases Decided.

WALLA WALLA, July 25.—James Casey is guilty of violating the Sunday closing law by keeping open a drinking saloon on July 14, as far as the courts of Walla Walla are concerned. In the superior court in chambers session yesterday morning Judge Thomas H. Brents, in the hearing of the habeas corpus proceedings instituted by Mr. Casey, sustained the decision of the justice court in finding the defendant guilty.

Notice of appeal to the supreme court was at once given in both the case of Casey and Adolph Schwartz, also found guilty in the justice court of violating the closing law.

The chief contention of the defense in the hearing yesterday was that the law was unconstitutional and not valid from the fact that it was repealed by an act of the legislature passed in 1873.

Dumout and His Airship.

PARIS, July 26.—Keen interest is still taken in the steerable balloon of the Brazilian aeronaut, M. Santos Dumont. Each day he visits the grounds of the Aero Club at St. Cloud, where the balloon is kept filled in readiness to seize the first opportunity to renew the attempt for the Deutch prize, the sum of 100,000 francs offered for a dirigible balloon. The motor is working satisfactorily and producing a higher speed than at the last trial, but wind and rain have thus far prevented a thorough test. So confident is he of winning the prize that he offers, with the accumulated interest thereon, another prize of 4000 francs to the first member of the Aero Club performing the round trip from St. Cloud to the Eiffel Tower prior to October 31.

Expelled From Russia.

ST. PETERSBURG, July 26.—A high Russian police officer called upon George Kennan, the American author and lecturer, at his hotel Thursday evening, and informed him he must leave the country by 10 o'clock this, Friday, evening. Mr. Kennan was not allowed to leave his room in the interim, but he was courteously treated.

This action by the Russian authorities is taken under the law giving the Minister of the Interior authority to expel undesirable foreigners. The notice served upon Mr. Kennan characterized him as untrustworthy politically. Mr. Kennan has informed the United States Minister to Russia, Charlemagne Tower, of this action of the Russian authorities, but has not asked Mr. Tower to intervene in the matter.

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 11-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents. 4
