## BRAVE AND COMPETENT

Moreu Says Schley Was Both in the Battle Off Santiago—Opines That the Charges of Cowardice Made Against the Officer Came From Cowards.

NEW YORK, July 31.—The Madrid representative of the Journal and Advertiser has obtained an interview from Captain Diaz Moreu, who commanded the Cristobal Colon during the naval conflict off Santiago. Says Captain Moreu in reference to the movements of Admiral Schley:

"All the American officers, without exception, did their duty in the naval battle off Santiago. It is absurd and unpatriotic to make any exception in the case of Admiral Schley. The Brooklyn was in the thickest of the fight throughout. She was at the mouth of the harbor when we tried to pass out, and engaged us in a terrific fire, doing frightful damage in the end. In the pursuit of the Colon we surrendered to the Brooklyn forty-five miles west of Santiago. The Brooklyn landed a shell just ahead of my ship, and, with the Oregon helping her, there was nothing left for me to do but run ashore.

"I should say that Schley was not only brave, but very competent, as is Sampson, whom I know personally. I don't know Schley. Schley directed that our officers retain their personal effects. A coward is never generous. The suggestion of cowardice probably comes from cowards. "I have read in El Mundo Naval that this attack upon an honorable naval officer has a low political basis. The navy should be left outside of politics."

### Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

### Revolution is On.

WILLEMSTAD, Island of Curacao, July 31.—Dr. Rangel Gardinas, at the head of 5000 men, has revolted against President Castro, of Venezuela. The insurgents are near Santonia de Tachera, on the Colombian frontier. The Venezuelan government has sent 10,000 troops to the scene of the uprising. Other outbreaks are expected. The whole country is ready to rise against President Castro. Constitutional guarantees have been suspended, and complications with Colombia are feared.

WASHINGTON, July 31.—The state department today received a telegram from the American legation at Caracas stating that martial law has been declared in Venezuela by the president of the country, in consequence of the invasion of a revolutionary force from Colombia.

Chicago, July 31.—A special to the Tribune from Little Rock, Ark., says: Ten thousand persons saw Jim Anderson, a negro, hanged here last Friday. There were fifty fakers doing business with exhibitions which bordered on the sideshow variety. Among the spectators was young Lem Jine Jayne, a son of Porter Jayne, a carpenter. After the execution the lad inspected the scaffold, and today completed a miniature scaffold. He invited his playmates to take the role of the condemned man. Failing in this, he sought to take the place of the executioner as well as the person condemned. He adjusted the noose and stepped on the trap. His neck was not broken, but he is unconscious, and doctors give no hope for recovery.

For this and the scenes enacted, Governor Davis has made known his intention to recommend the immediate repeal of the act which permits the public to witness hangings.

### Narrow Escape of Maria Pia.

NEW YORK, July 31.—A special dispatch to the Herald from Aix-les-Bains says: Maria Pia, Queen Dowager of Portugal and mother of the present King Carlos, has had a narrow escape from assassination. Her majesty was taking a course of the baths here, but was so perturbed by the attack upon her that she left Aix hastily for Rome.

Details of the attempted assassination are not obtainable at present. The police are said to have a clew. News of the affair is only beginning to spread among the visitors. It is causing a deep sensation, for the queen dowager was known personally to a considerable number of people. She was very democratic in her demeanor, chatting freely with her fellow-bathers.

### Horrible Death in Harvest Field.

PENDLETON, July 31.—Alta Hevel was killed eight miles east of Echo yesterday in a most horrible manner. He was driving a combined harvester and had stepped over the side to oil the machinery. In returning to his station he made a mistake and fell in front of the big drive wheel. The wheel has a guard in front and the unfortunate man fell between the guard and the wheel. He was instantly killed and mangled almost beyond recognition. His neck and nearly every bone in his body were broken in a moment. He was badly cut by the wheel.

The deceased was a young man and leaves a wife and three children. He was very popular with his associates, and was considered an expert in handling machinery. He was 26 years of age. The remains were interred this morning.

### Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

P. T. Thomas, Sumterville, Ala., "I was suffering from dyspepsia when I commenced taking Kodol Dyspepsia Cure. I took several bottles and can digest anything." Kodol Dyspepsia Cure is the only preparation containing all the natural digestive fluids. It gives weak stomachs entire rest, restoring their natural condition. Clarke & Falk's P. O. Pharmacy.

### A Poor Millionaire

Lately starved in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite. Sold by G. C. Blakeley, the druggist. 5

Clark & Falk are never closed Sunday. Don't forget this.

### Foreign Grain Crops.

LONDON, July 31.—There is great diversity of opinion among produce dealers here respecting the probable supplies of wheat from Europe and America. The German crop is known to be unusually small, and consequently the proposed increase of duties upon imported grain will bear heavily against the industrial class. The French crop is reported to be lighter than last year's. Russian statistics are not trustworthy. American and Canadian crops will determine the course of prices throughout Europe as satisfactory estimates are received.

### Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed. G. C. Blakeley, the druggist. Only 50c. 5

### A Racing, Roaring Flood.

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had Consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for Coughs, Colds and all Throat and Lung troubles by G. C. Blakeley, the druggist. Price 50c. 5

Don't be satisfied with temporary relief from indigestion. Kodol Dyspepsia Cure permanently and completely removes this complaint. It relieves permanently because it allows the tired stomach perfect rest. Dieting won't rest the stomach. Nature receives supplies from the food we eat. The sensible way to help the stomach is to use Kodol Dyspepsia Cure, which digests what you eat and can't help but do you good. Clarke & Falk's P. O. Pharmacy.

Why pay \$1.75 per gallon for inferior paints when you can buy James E. Patton's sun proof paints for \$1.50 per gallon, guaranteed for 5 years. Clark & Falk, agents. 1f
