

# Her Husband's Story

My name is E. J. Sprong, and my address is 16 Bondman Block, Troy, N. Y. I want to tell how thankful I am that my wife's health has been restored to her. About a year ago she caught a dreadful cold, which settled in her bronchial tubes and lungs. She certainly had bronchitis, and I think consumption, too, and we despaired of her life. She had a tightness and soreness in the chest, and it was difficult for her to breathe. There were darting, sharp, dull and heavy pains, with constant coughing and expectorating. Each day she was worse than the day before. I was advised to get Acker's English Remedy, and did so, but my wife only shook her head and said: "Another dollar thrown away." She took the Remedy, however, and said the effect was magical. In less than an hour there was a remarkable change. She got better at once, and in a short time she was entirely well and strong again. The cure was permanent and there has been no relapse. I don't know what Acker's English Remedy is made of, but I am sure it contains something that fortifies the system against future attacks. My wife is in better general health now than ever, and you can't imagine how happy she is for her recovery. She tells everybody about Acker's English Remedy, and so do I, for I believe it to be our duty to the public to help every sufferer who has throat and lung troubles. My neighbors say it is a sure specific for croup, and has saved the lives of hundreds of little ones around in this vicinity alone.

### Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

### Gorman the Boss.

BALTIMORE, Aug. 1.—The democratic state convention, which met here today, declared that the purpose of the party, if successful in the election, is to eliminate the negro from politics in Maryland, if such a thing be possible under the constitution of the state. Under this paramount issue of the campaign will stand the candidates nominated today for state offices, and those chosen in the various county and district conventions as candidates for places in the legislature of 1902, which body will elect a United States senator to succeed George L. Wellington. That his successor, in the events of democratic victory, will be Arthur P. Gorman is settled beyond question, although no formal announcement of his candidacy has yet been made.

The platform, which was adopted without dissension, was the result of much labor and many conferences, at all of which Mr. Gorman was present. The platform is generally regarded as the product of his sagacity and experience. It declares that the unqualified right to vote by ignorant citizens is a menace to the welfare of the state, and that the state administration is to be commended for having caused laws to be adopted restricting the power of illiterates to cast their ballots. It scores the federal authorities in this state, and praises the course of the state government in ordering a new and more accurate count. No mention is made in the platform of the candidacy of ex-senator Gorman for re-election to the United States senate.

Chairman Murray Vandiver, of the state central committee, in calling the convention together, declared it to be the purpose of the party to make the coming fight on state issues alone.

Dr. Joshua W. Herring, of Carroll county, was renominated for controller by acclamation, and J. Frank Turner was nominated for clerk of the court of appeals.

**Boxers Inciting War on Foreigners.**  
CANTON, China, Aug. 1.—Violent anti-foreign placards emanating from the Boxers have been posted in the vicinity of the Christian chapels. The placards protest against the imposition of the house tax, saying it is only enacted in order to meet the indemnity to be paid to the powers, and proceeds:

"If money can be obtained, why not make war on the foreigners? China is not yet defeated. It is only the government's eyes which are blinded by disloyal ministers. If we refuse to fight, then it is a case of being greedy to live, yet fearing death. How can the carefully studied military arts be used except against foreigners? How can we otherwise employ our regiments? During 1901 much money will be collected through lotteries, gambling and general taxes. But they were never satisfied. Therefore, should the house tax be collected we will demolish the chapel and drive out the Christians. If the emperor is unable to pay, we, Boxers have an excellent plan to gain a victory over the foreigners. Unless this policy is adopted a great rebellion is certain."

O. O. Buck, Beirne, Ark., says: I was troubled with constipation until I bought DeWitt's Little Early Risers. Since then have been entirely cured of my old complaint. I recommend them. Clarke & Falk's P. O. Pharmacy.
