### EVERYTHING QUIET AT SAN FRANCISCO

But General Strike Will Be Ordered Tomorrow Unless Employers Meanwhile Surrender.

SAN FRANCISCO, Aug. 5.—Everything is quiet in the strike situation here this morning. No men have been called out. But it is expected that a general strike will be ordered tonight, unless the Employers' Association shows some indication of acceding to the demands of the men. Officials of the Pacific Mail Steamship Company assert that the work of unloading on the Mail dock is proceeding unimpeded by the strike of the allied unions of the City Front Federation. The steamship men say that about 160 stevedores have been employed, twenty of whom were members of the union who returned to work. This force of men worked all day yesterday unloading the America Maru, and it is expected that the cargo will be discharged today. The City of Sidney will then be unloaded of her cargo of coffee.

An effort will be made today to discharge the coal-laden vessels Tellus, Matewan and Bristol. Several coasting vessels that arrived yesterday have been deserted by their crews.

Members of the various painters' unions have been instructed to report for work and ask employers if they are to get \$3.50 instead of \$3 a day. If the demand is refused the men are to walk out and report to the executive committee of the Building Trades Council and Painters' Union. Six unions have united in making the demand for an increase of 50 cents a day. The painters in Oakland are also expected to strike today.

LONDON, Aug. 5.—The news of the death of the Dowager Empress Frederick spread slowly in London. The Associated Press gave Buckingham Palace, Marlborough House and the Mansion House the first information that Her Majesty had passed away. As all members of the royal family and many of the officials are out of town for the holidays, it is probable that no official recognition of Her Majesty's death will be issued before morning. The bells of St. Paul's Cathedral will be tolled when the Home Secretary, Mr. Ritchey, officially informs the Lord Mayor of the death of the Dowager Empress.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."

### THE MOTHER OF WILLIAM II

Empress Frederick, of Germany, Died This Afternoon—Emperor Present With His Brothers and Sisters.

CRONBERG, Aug. 5.—Empress Frederick died at 6:15 p. m.

The death of the dowager empress was somewhat sudden. At 4 o'clock her physicians reported no change in her condition. Emperor William and Her Majesty's other children were in the sickroom most of the day.

CRONBERG, Aug. 5.—Emperor William arrived at Homburg at a quarter after 3 o'clock this morning and drove to the Homburg Castle. Thence, accompanied by the Empress and Crown Prince Frederick William, he proceeded to Friedrichshoff, which he reached at 5:20 o'clock.

COWES, Isle of Wight, Aug. 5.—According to present arrangements, King Edward will start for Flushing, Holland, on the royal yacht Osborne, Tuesday morning. The new royal yacht, Victoria and Albert, will accompany the Osborne. The usual gaieties of Cowes' regatta week, which began today, are almost entirely absent. By royal order, no dancing of any kind will take place during the week. The entertaining will consist of impromptu invitations to small concerts and dinners, issued an hour or two beforehand, owing to the hourly news expected from Cronberg.

Your Face Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so-called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley the druggist.

Eruptions, cuts, burns, scalds and sores of all kinds quickly healed by DeWitt's Witch Hazel Salve. Certain cure for piles. Beware of Counterfeits. Be sure you get the original—DeWitt's. Clarke & Falk's P. O. Pharmacy.

#### Will Build a Million-Dollar Palace.

NEW YORK, Aug. 5.—A report is in circulation in Westchester County to the effect, says the New York Tribune, that John D. Rockefeller is to have a marble palace at Pocantico Hills, N. Y., to cost something like \$1,000,000. According to the different reports the palace is to rival some of the largest castles of England and Scotland. Mr. Rockefeller now owns 2000 acres of land in Northern Westchester. The new stables of the Rockefeller estate is about completed. It cost several hundred thousand dollars, and is built of highly polished granite. Young Mr. Rockefeller, it is said, will purchase a string of valuable cars and coach horses while in England. The grounds are also being laid out on a magnificent scale.

#### Strikes A Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by G. C. Blakeley, the druggist.

#### Picnic in a Circus.

KANSAS CITY, August 5.—Fire this afternoon destroyed the old exposition building occupying a half square of ground in the eastern end of the city. The building was situated directly across the street from a circus that had pitched its tents here last night, and a panic prevailed for a time among the hundreds of people awaiting the opening performance. No one was injured, however. The building was an old landmark, and was to have been blown up with dynamite next Saturday to give way for a new structure. The exposition building was built at a cost of \$200,000, but for years has been in a dilapidated condition and was practically of no value.

If the action of my bowels is not easy and regular serious complications must be the final result. DeWitt's Little Early Risers will remove this danger. Safe, pleasant and effective. Clarke & Falk's P. O. Pharmacy.
