## BURGLARS CARRY OFF A FORTUNE

Three Hundred and Forty Thousand Dollars in Gold Bricks Stolen at Vallejo Smelting Works.

VALLEJO, Cal., Aug. 6.—The Selby Smelting Works were robbed of \$340,000 last night in gold bricks. The robbers had evidently been working on the case for two or three months. They had dug a tunnel from outside the house, digging a shaft first about three feet deep. They then tunneled in under the vault and striking upward, bored a hole in the strong room floor. The hole was in the shape of a manhole of a boiler. Part of the hole had been bored two months ago, it is thought, and the last one was bored last night. Through that hole they took the gold bricks and carried them to the shore near the tunnel east of the works, where they were evidently placed in a boat. In the hurry they left two of the bricks on the bank.

The entrance to the tunnel was covered with a frame, over which the employee of the smelter passed repeatedly every day, but no one seemed to notice anything out of the way.

The police of San Francisco and all the bay cities are at work on the case, but so far there is not the slightest clew to the robbers. The work was that of skilled men, and evidently elaborate plans had been carried out without a hitch. The thieves got all the bullion in the vault, leaving behind only two bricks, which they dropped on the shore in their haste. Only one day's accumulation of refined gold was kept at the works. Yesterday's run was unusually heavy, and the gold was to have been shipped back to San Francisco today.

The tunnel that the robbers excavated was about three feet in diameter, and gave them plenty of room in which to work. It is supposed that the dirt from the tunnel was taken out at night and dropped in the bay.

It is thought that the men who committed the robbery took their plunder away in a launch, and made direct for San Francisco. There are plenty of other places, however, where they could have gone—either up the Sacramento river or to the shore of any of the numerous bays.

Following is the list of the property stolen: Four fine gold bricks all numbered and containing the following: No. 1236, 1190 ounces and a fraction; No. 1237, 330 ounces; No. 1238, 1123 ounces and a fraction; No. 1239, 1037 ounces and a fraction, also 10,000 ounces of gold in various shapes and a little silver.

The gold in the bricks is worth \$20 an ounce.

### Found Badly Injured.

WALLA WALLA, Aug. 5.—Mike Shaughnessy, a cab-driver, well known in this city, lies at the hospital today, perhaps fatally injured. He has not regained consciousness since an accident yesterday. Sunday was his day off and a local liveryman secured him to drive a party of harvesters several miles into the country. He took a team and spring wagon for the trip. A few hours later the team came back to the stable without the driver. Search was instituted, and Shaughnessy was found by the roadside three miles from town. Evidently a bad accident had occurred. The man was unconscious and three ribs were broken, one penetrating the lungs. No explanation can be given, and the unfortunate man has not regained consciousness to tell of the trouble.

### Thrown From Wagon and Killed.

LEWISTON, Idaho, Aug. 6.—Word was received here tonight that C. O. Bishop, a farmer on the Nez Perce prairie, 25 miles east of Lewiston, had been killed Monday on the long grade leading to Clearwater near the big eddy. He was hauling a load of hay when the horses became frightened and ran away. The wagon was overturned and Bishop thrown on rocks far down the hillside, suffering internal injuries which caused his death. He was found an hour after the accident, alive but unconscious. He died half an hour later.

### Strikes A Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by G. C. Blakeley, the druggist.

### Big Forest Fire Near Baker City.

BAKER CITY, Aug. 6.—A special to the Democrat, of this city, says that a forest fire broke out in the mountains back of the North Pole mine, near Bourne, this afternoon, which is now burning fiercely. It threatens the mine property and a large body of fine timber. It is supposed to be the result of carelessness on the part of campers. If it is not got under control before it crosses to the summit, the result will be serious.

### Madman's Third Victim.

MOSCOW, Idaho, August 5.—Deputy Sheriff W. E. Cool, who was shot by William Steffen yesterday morning, while attempting his arrest, died at the Gritman hospital at 11 o'clock today, as the result of the bullet wound in his hip, the bullet having penetrated the abdominal cavity, thus causing internal hemorrhages. Cool's body will be taken to Genesee for burial.

Cool was a native of Maine, 35 years of age, and had lived in this county nine years. He was married to Miss Melbelesck, of Genesee, on April 1. Cool was a Mason, Knight of Pythias, and a Modern Woodman, holding an insurance of \$2000 in the latter order.

The remains of William Steffen were turned over to his relatives this afternoon. Interment will be made in Pullman Wednesday. Dr. Walker will be buried under Masonic auspices at 1 p. m. It is expected his funeral will be attended by the friends and acquaintances from all parts of Washington and Idaho, who can reach here in time.

### Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

### Tremendous Rain in a California Town.

RANDBURG, Cal., Aug. 6.—There was a tremendous rain at this place yesterday, accompanied by terrific thunder and lightning. Half the houses in town are flooded and the streets are badly washed out. Two and a half inches of rain fell in three-quarters of an hour.

Mrs. S. H. Allport, Johnstown, Pa., says: "Our little girl almost strangled to death with croup. The doctors said she couldn't live but she was instantly relieved by One Minute Cough Cure. Clarke & Falk's P. O. Pharmacy."
