

ONE WEEK ONLY.
HE IS IN TOWN

Take Courage, Rejoice and Be Happy for a Mighty Man is in Your Midst. He Comes with Help and Hope in His Hands and Truth Upon His Lips.

PROFESSOR HOMER DE MORRISON

The First Registered Palmist Ever in The Dalles, and the Greatest Living Clairvoyant and Palmist.

Natural Healer of Modern Times, who has no equal on earth, and is well known in every city of the world, is now located at the European House.

Located by Vision.

It is pleasing to be assured that the gold stolen from the Selby Smelting Works was "located by vision" by a Portland occultist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a base Californian invention for the purpose of depriving Oregon of just glory.—Editor of the Portland Oregonian.

IT IS A MATTER OF HISTORY, from the remotest age to the present time, that there are a few people who possess occult power sufficiently to enable them to accurately reveal the past and give a correct forecast of the future. To Professor Homer de Morrison nature has been most kind, bequeathing to him that rare gift which enables him to read the lives of his fellow creatures as clearly as an open scroll.

THERE IS NO HOME so dreary and sad, no life so hard and blighted, no heart so sad and lone, no condition of circumstance so complicated, that cannot be set right and kept right after a visit to this inspired prophet of modern times.

COME ALL YE BUSINESS MEN who have deals, complications or embarrassments, and he will untangle the knotty problems, and point out the ways and means that bring prosperity.

COME ALL YE WIVES AND MOTHERS, whose hearts and hands are burdened with the duties of home and family. Cease your sighing and crying and seek the advice of this gifted man, who can help you when all else fails. "Laugh and the world laughs with you; weep and you weep alone." He reunites the separated, settles lovers' quarrels, causes speedy marriage, locates hidden treasures, removes evil influences, cures fits and drunkenness.

COME ALL YE DOUBTING, HOPING LOVERS, learn if your idol is true or false, who your enemies or rivals are, how to overcome them, and win the object of your affections. "Of all the sad words of tongue or pen, saddest are these: 'It might have been.'" COME ALL YE who anticipate change, travels, sales, trades, speculations, positions, law suits, marriages or separation; learn what is best to do, and how to do it ere failure and misfortune overtake you.

COME ALL YE WHO ARE SICK. Do the doctors know what ails you? Can they cure you? If not come and try NATURE'S DOCTOR. His motto is "NO CURE NO PAY." All chronic or long standing diseases that have baffled the physician's skill, cured without the use of medicine.

There are always partially developed mediums and cheap pretenders found in every city. If you have been deceived by the false predictions of such fraudulent people, do not despair, but call and be convinced that Professor Homer de Morrison will help you. Office hours 10 a. m. to 8 p. m.

N. E.—Palmistry taught. Mediumistic persons developed. Home all day Sunday.

Read This, Consumptives

"From the way my wife coughed for six months, I knew she had consumption. She showed it in her face, too, and her body wasted away to a mere skeleton. After she got down in bed the doctors couldn't do any good. I called in both Dr. T. A. Shannon and Dr. N. L. Hawsen, each of whom is a first-class physician, but they had nothing that would reach the trouble in her lungs. My wife's father came to see her one day, when she got very low. He lives in Cedar Lake, Wis., while we live in Rice Lake, Wis. He said he knew what was needed, and made me get a bottle of Acker's English Remedy for Consumption. I went to Schmidt's, our local druggist, and got a bottle, and it helped her right away. She took eight 50c bottles, and they put her back on her feet and made her as sound and well as any woman in town. She has taken on flesh again. She doesn't cough, and if any one who doesn't know the facts was to be told she was so near death with consumption, he wouldn't believe it. My wife does all her housework, and at night sleeps as soundly as you please. Her stomach no longer gives her any trouble at all. Maybe you doubt what I am telling. If so, I advise you to see J. N. Schmidt, the druggist who sold me Acker's English Remedy for Consumption. He'll tell you the same thing. He is sold on a guarantee to cure, or money returned, and he never yet had a bottle come back to his store, although he has sold hundreds of them. My name is Luther Bedell, Rice Lake, Wis."

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure, 25c, 50c and \$1 a bottle in United States and Canada. In England 1s. 2d., 2s. 6d., and 4s. 6d. We authorize the above guarantee. W. H. HOOVER & CO., Proprietors, New York.

SEWER NOTICE.

Notice is hereby given that the common council of Dalles City, at a meeting thereof held on Saturday, the 3d day of August, 1901, determined to construct and relay a drain and sewer described as follows, to-wit: Beginning at a point where the center line of Court street intersects the projection of the south line of the first alley south of Fifth street in said Dalles City, and running thence in a northerly direction along, or near, the center line of said Court street and along the line of the old sewer now located in said street, to a point where the center line of said Court street intersects the projection of the center line of the alley between Main and Second streets, in said city; thence westerly to said alley and along the center line thereof and a continuation thereof to the west line of Union street; thence in a northwesterly direction, along the most practicable route, to low water in Mill creek. Said council also at the same time determined that the cost of the construction and relaying of said drain and sewer should be assessed against the property benefited thereby, and declared the present sewer and drain now in existence upon and along the line above described to be in a dangerous condition, and further provided that notice be given of the construction and relaying of said drain and sewer by publication of a notice for two weeks in The Dalles Daily Chronicle, the first publication thereof to be made on Monday the 5th day of August, 1901, and final publication thereof to be on Monday the 19th day of August, 1901, and further determined that said drain and sewer be constructed and relaid as above mentioned immediately after the expiration of the time mentioned in said notice.

All persons interested are hereby notified that said drain and sewer will be constructed and relaid as above determined and provided for.
