THE SLEEPING CAR PORTERS, cured by Hall's Catarrh Cure

The seven thousand Pullman car The man or woman who used to give the porter twenty five cents has cents or a dime, says the Republican. Wholesale Druggists, Toledo, Ohio.

Some of the porters are afraid that unless this tendency be checked the tip may descend to a nickle. They purpose now to refuse all tips of less than a quarter, but how they are to enforce the quarter does not yet appear. While many of the stories of the union of the porters Hillsborough, Ills., "but Bucklen's Arniand their probable strike may be ca Salve completely cured them." Acts imaginary, they serve to call attention like magic on sprains, bruises, cuts, to the porters' tips as being, as the feet healer of skin diseases and piles. Str. BAILEY-GATZERT. Chicago Public says, "one of the Cure guaranteed by G. C. Blakeley, the meanest business swindles of the druggist. 25c. time."

The same paper sums up the essence of the swindle in a few lines the best. Ask your greer for them. which are here quoted: "Porters," It will be understood that this is not market rates. living pay. But the porters are extravelers, notwithstanding the travelers are forced to pay a good round porters, but tips to the company them."

States who has ever traveled in a Pullman car who does not known and resent the facts set forth thus succinct-American public does not grudge the American would tip the porter if he employer now pays him. It is the meanness of the thing that galls. And yet there seems no way to remedy ing to agent O. R. & N. Co., The Dalles, the matter.

If the Poliman porters should go on a strike, there would be seven tf thousand men ready to take their places and to accept even the five cent tip that the present employes now dread as a possibility-or even to do without tips altogether. Travelers can, of course, refuse to tip the porters, but very few of them have the courage to do so. If one should try it once, he would probably feel mean over it the rest of his life.

It is probable that relief will come in this direction only when the railroads generally get to running their own sleeping cars, instead of renting them from the Pullman concern, and offer freedom from the tip nuisance as an inducement to secure passenger traffic.

Senator Vest, who has been one of the extreme free coiners ever since free coinage came up first almost a quarter of a century ago, says it would be "suicidal" for the democracy to put free silver forward as an issue in 1904. A good many other men who voted for Bryan, as the Missouri senator did, in 1896 and 1900, stand with him on this question of the necessity of dropping it now. On the other hand, there are hundreds of thousands of good democrats, and Bryan is one of them, who want to make at least one more fight for the white metal. These will have something to say about the selection of a candidate and the framing of a platform in 1904.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.
